An investigation of Yellow Card Medicine Regulatory System VAERS has revealed that continuing high numbers of adverse reactions and deaths from Covid-19 vaccines against specific batches of the Covid-19 vaccine cause illness, sickness, disability, hospitalisations and deaths, and Covid-19 vaccine injuries.

The Yellow Card Medicine Regulatory System has released an online app that we have dubbed the app for the Yellow Card Medicine Regulatory System, allowing you to search for the batch code of Covid-19 vaccine that you received and see if any batch codes from Moderna, Pfizer, Astrazeneca, Janssen/Johnson and Johnson and Novavax have caused illness and injuries and deaths.

Search the 'How bad is my batch' app now

Let's see how bad… Pfizer Government certifying Test and actively trying to access the information requested by the Freedom of Information Act (FOI) Request. Pfizer lost in the court case against the Freedom of Information Act (FOI) Request.

Scientists compared the variability between the vaccine lots with the variability between Covid-vaccine lots and placebo lots. Scientists compared Moderna, Pfizer and Astra-Zeneca's Covid-19 vaccines against different lots and other Covid-vaccines.

When 22,000 Pfizer vaccine lots were examined, almost all of them produced a 'Green' severe adverse reaction, and almost all of them produced a 'Red' severe adverse reaction.

When the same number of Covid-vaccines were compared, there was found to be huge variation – with many lots producing 5 or fewer severe adverse reactions, but many others producing 1000 Red severe adverse reactions.

So the coefficient of variation for Covid-vaccines is 200% – compared to the coefficient of variation for flu vaccines (which is 40%).

In other words, Covid-vaccines vary 10 times more than flu vaccines.

COVID-19 Vaccinations, such high variance between different lots and between different manufacturers cannot be explained by random chance, or by manufacturing tolerances.

Such variance only ever happens with adulterations – which is only possible based on the controversy of the product.

EXCLUSIVE – 100% of Covid-19 Vaccine Deaths were caused by just 5% of the batches produced according to official Government data

After all that I have learned so far about the so-called Corona – vaccination – I come to the conclusion:
I will never let myself be vaccinated against COVID. Never will I let myself be forced to do so!
