Covid Crimes Exposed by German RKI Files

World Council for Health NOV 18, 2024

A shocking reveal from Christof Plothe, Dr Mark Trozzi, and The

C 26 153 Share As a physician and researcher who has fought tirelessly for truth, I am compelled

to share the staggering revelations that recently emerged from the Robert Koch

Institute (RKI) archives. These documents shed light on the covert political and scientific maneuvers behind the global COVID-19 response. The evidence is damning and confirms what many have suspected: much of the "pandemic" narrative was built on lies.

World Council For Health

Join us at 2 PM EST today for the WCH Better Way Live show where we will

discuss and air this video.

government. They concluded that:

The RKI Revelations: What We Found

 Testing asymptomatic individuals with PCR tests was explicitly discouraged due to its lack of diagnostic reliability. Despite this, politicians pushed forward with restrictive measures, ignoring the

RKI's advice. They manipulated data to justify lockdowns, masks, and eventually

• SARS-CoV-2 was "hardly contagious" and did not pose a significant threat to

Measures like lockdowns, masking, and social distancing were scientifically

In the early days of the pandemic, RKI scientists provided clear data to the

- Lies, Manipulations, and the Cost of Compliance
- preventing viral transmission. This aligns with earlier scientific consensus. Yet, mask mandates were enforced worldwide. Why? The answer lies in fear and control. Masks served as symbols of compliance, increasing public anxiety and

The misuse of PCR tests was central to perpetuating the pandemic narrative.

Testing asymptomatic individuals was against RKI recommendations but

This tactic inflated case numbers, creating a false perception of a widespread

The protocols highlighted that masks, including FFP2 masks, were ineffective in

According to the RKI leaks: • The tests had a false positive rate of 86.5%.

The "Vaccine" Agenda Perhaps the most alarming aspect of the leaks involves the so-called "vaccines." The documents reveal that:

• Approval was rushed without sufficient testing, skipping standard safety

Post-marketing surveillance was used as a substitute for clinical trials,

protocols. • Early data showed negligible protection and significant risks, yet these were

making humanity the experimental group.

and vitamin D, leading to preventable deaths.

Seeking Justice and Moving Forward

Even worse, the "vaccines" were marketed as a societal good, despite the RKI admitting that they offered no protection against transmission. This deception coerced millions into taking an untested genetic experiment under false

Collateral Damage: The Impact on Society

developmental delays. Hospitals reported historically low occupancy rates, debunking claims of overwhelming medical crises.

• The elderly and vulnerable were denied effective treatments like ivermectin

closures, masking, and isolation, resulting in psychological trauma and

The leaked files also expose the devastating consequences of pandemic policies:

• Children, who faced virtually no risk from COVID-19, were subjected to school

societies worldwide cannot go unanswered. Politicians, health officials, and complicit media figures must face justice for their roles in this orchestrated deception. As we move forward, it is crucial that we reclaim science from political

These revelations demand accountability. The deliberate harm inflicted on

interference and restore trust in public health systems. The path to healing

begins with truth, accountability, and a commitment to never let this happen

This is not just a fight for justice; it is a fight for the future of humanity. Let us

stand together and demand transparency, accountability, and a brighter future.
