

# **Suspected Pedophile Ring Exposed**

## **DC PizzaGate: A Primer** **UPDATED 11/26**

I've created this blog to share the information 4chan has collectively gathered and researched about a suspected pedophilia and human trafficking ring that we seem to have uncovered existing within our DC politicians and the elite class.

It all started with one incredibly suspicious Podesta email that had skeptics suggesting they weren't actually talking about pizza, but rather in code. Here it is:

## Handkerchief code

From Wikipedia, the free encyclopedia

 Black	S&M
 Blue (Dark)	Anal sex
 Blue (Light)	Oral sex
 Brown	Scat
 Green	Hustler/prostitution
 Grey	Bondage
 Orange	Anything goes

Did you leave a handkerchief

Subject: Did you leave a handkerchief

Hi John,

The realtor found a handkerchief (I think it has a map that seems pizza-related. Is it yours? They can send it if you want. I know you're busy, so feel free not to respond if it's not yours or you don't want it.

Susaner

Virgins / Sadism

I just came from checking the Field house and I have a square cloth handkerchief (white w/ black) that was left on the kitchen island.

Happy to send it via the mail if you let me know where I should send it.

If this is not speaking in code, then it makes absolutely NO SENSE. Not a single person has been able to offer a coherent explanation on what this could mean if ACTUALLY pizza and map related...

Not to mention this disturbing “coincidence”:

With enormous gratitude to Advance Man Extraordinaire Haber, I am popping up again to share our excitement about the Reprise of Our Gang's visit to the farm in Lovettsville. And I thought I'd share a couple more notes: We plan to heat the pool, so a swim is a possibility. Bonnie will be Uber Service to transport Ruby, Emerson, and Maeve Luzzatto (11, 9, and almost 7) so you'll have some further entertainment, and they will be in that pool for sure. And with the forecast showing prospects of some sun, and a cooler temp of lower 60s, I suggest you bring sweaters of whatever attire will enable us to use our outdoor table with a pergola overhead so we dine al fresco (and ideally not al-CHILLo).

I am ccing Trudy to repeat the invite, and sending pining wishes-you-could-come to Rima, John P, and Laurie & Chris.

Con amore, Mrs. Farmer L

Soon she will be the queen of the entire US of A. right now, for a limited time only, **you can spend some time with her online, raw and uncut.** Take advantage of this now, as in the future she will have the power of life and death over you." FUCKING BARF. The bottom email is from JOHN PODESTA'S email dump by Wikileaks. For those still not convinced there is code being used, here's a few more examples using pedophile slang which has existed on deep web .onion for decades:

- *"I'm dreaming about your hot dog stand in Hawaii..."* [Podesta Hot Dog Stand](#)
- Obama flies in \$65,000 pizzas/hot dogs from Chicago for private White House event in 2009 off taxpayers' money [\\$65k in "Pizza" and "Hot Dogs"](#)
- *"Do you think I'll do better playing dominos on cheese than on pasta?"* [Dominos on Cheese or Pasta](#)

In other Podesta emails, a pizza joint called "Comet Ping Pong Pizza" is referenced multiple times. You can find this at [Wikileaks Podesta search = Comet](#)

This is where it starts to get weird, and I will try to bring in only the most relevant evidence. John Podesta is Hillary Clinton's campaign chairman, and he served as a counselor to Obama. He acted as Chief of Staff to Bill Clinton. He is not an elected official, but it is clear he has real influence in American politics. In the emails, you will read this Comet location seems to be a hot-spot, serving as a fundraiser location for both Obama and Hillary Clinton. Why would they choose a pizza joint supposedly kid-friendly with the main attraction being PING PONG TABLES??

First suspicious activity is merely its location. Check out the unclassified FBI pedophilia symbology:

Comet Pizza is located right across the street from Beyond Borders, which says on its website it works to “end child slavery and violence against girls” in Haiti and it is a subsidiary of the Clinton Foundation Charity. Confirmation of these facts can be found by visiting this website: [Beyond Borders](#) To understand why this connection to Haiti was instantly a red flag, read article [Clinton Foundation Connected to Convicted Child Trafficker Laura Silsby](#)

Okay, so all coincidence so far. Let's take a look at the symbology seen in this area. First Comet Ping Pong:

Weird, but proves nothing. But wait, let's look at the Besta Pizza symbol two stores down from Comet and owned by DOJ employee Andrew Kline of the human trafficking unit. Source: [Besta Owner Research](#)

Please refer back up to known pedophile symbology. This one is so blatantly obvious, it's disgusting. But anyone could say this is all just speculation. **UPDATE: BESTA HAS CHANGED THEIR LOGO** [Updated Besta Logo Website](#)

Let's look across the street, at the Terasol Bistro and Artisan Gallery that is two

stores away from Clinton's Beyond Borders. This was found on their website.

Here we see a unique Jeffrey Dahmer-inspired sculpture posted on James' Instagram. This is important because the owner of this one-of-a-kind art piece is none other than Tony Podesta (John Podesta's brother). In the comments, he even admits this is indeed at Tony's house. Check out the Washington Post article talking about Tony's "art"...

*[...Podesta residence hung with multiple color pictures by Katy Grannan, a photographer known for documentary-style pictures of naked teenagers...]*

**Married, With Art**

"You've got to be pretty secure to have an eight-foot-tall naked man in your living room in Washington, D.C.," Heather says of her husband's choice.

What Heather suggests as a badge of her mate's confidence is a highly intentional statement. After all, Tony's job is to make an impression. Besides, when the piece isn't generating blushes, it's generating conversation.

"At political events, there's an inevitable awkwardness," former Clinton administration official Sally Katzen said at a Women's Campaign Fund dinner at the Podestas' home this summer. "The art is an ice-breaker. It puts people at ease."

Not always. Folks attending a house tour in the Lake Barcroft neighborhood in Falls Church earlier this year got an eyeful when they walked into a bedroom at the Podesta residence hung with multiple color pictures by Katy Grannan, a photographer known for documentary-style pictures of naked teenagers in their parents' suburban homes.

"They were horrified," Heather recalls, a grin spreading across her face.

Jeffrey Dahmer loved to take Polaroids of his victims in strange poses after he had killed them. I suppose these were his trophies... in addition to the body parts he kept in the fridge. This person found himself to be quite the contortionist in death. "Practical Homicide Investigation by Vernon J. Geberth, CRC Press, 1996"

Tony mentions in a different article one of his favorite artists is Biljana Djurdjevic. Link: [Tony Podesta Article](#) Here's a quick look at some of her art. If

this woman isn't/wasn't a victim, I will eat my own shoe. (Material copyright of Biljana Djurdjevic) Visit her website if you would like to have nightmares and suffer PTSD from paintings of kids lying face down in ponds – [Biljana Djurdjevic Website](#)

It is worth reference to look at Kim Noble's art, who is known for suffering Satanic Ritual Abuse and her personality has permanently splintered into different entities. In this painting, you can see five adults standing in what looks to be a pentagram. Below the child being raped, there is a handkerchief and this appears in multiple of Kim's paintings. Apparently the handkerchiefs are put under the child to collect blood/semen as a token or "map". Hmm, where else have we heard about a handkerchief with a map recently?

Okay, so back to the owner of Comet Ping Pong Pizza. Let's take a look at some of his Instagram postings, and please tell me it does not make your skin crawl. Oh and is anybody surprised he's a fan/friend of Marina Abramovic, Ms. Satanic Spirit Cooker herself? If you want to learn how blood, semen, urine, breast milk

and slicing your own left middle finger are used in this 'occult magic', watch Marina's very own YouTube guide: [Marina Spirit Cooking](#) She's important because we recently learned through Podesta leaks that she likes to hold private Spirit Cooking nights at her house and [invites the Podesta brothers](#). On a Reddit AMA, she even admitted herself, *"If you are doing the occult magic in the context of art or in a gallery, then it is art. If you are doing it in a different context, in spiritual circles on in private houses or on TV shows, it is not art."* [Marina 'AMA' Screenshot](#) Okay, then what is it Marina? C'mon people, don't be blind.

Oh and I'm sure it's just a coincidence this she-beast hangs out with top celebrities like Lady Gaga, Beyonce, JayZ and Kim Kardashian (to name only a few). Totally normal stuff, guys. More concerning, though, is that she hangs out with arguably the most powerful lobbyist in Washington D.C., John Podesta.

To me, it looks like she's being desensitized to bondage. Notice someone even says "this is pretty creepy bro" in the comments. Ping pong table in the background...

La boum boum is apparently slang for prostitution.

It gets weirder. Anon found the Instagram of a person named Josh who works at Comet Ping Pong. Check this out:

Notice he even tags Comet Ping Pong as the location? “CUM VISIT”. And I’m not sure how accurate because I didn’t want to Google it, but someone on 4chan said honey has a specific connotation in the pedo world. Here’s another completely inappropriate post for a “kid friendly” place:

Here's James Alefantis again wearing "little boy lover" pedophile symbol glasses.

I am going to move away from the owner of Comet Pizza now, although there is other very weird things going on there but I can't cover it all.

Comet markets itself to be kid friendly, yet a woman named Sasha Lord designs

and/or promotes these really messed up posters to advertise upcoming bands playing.

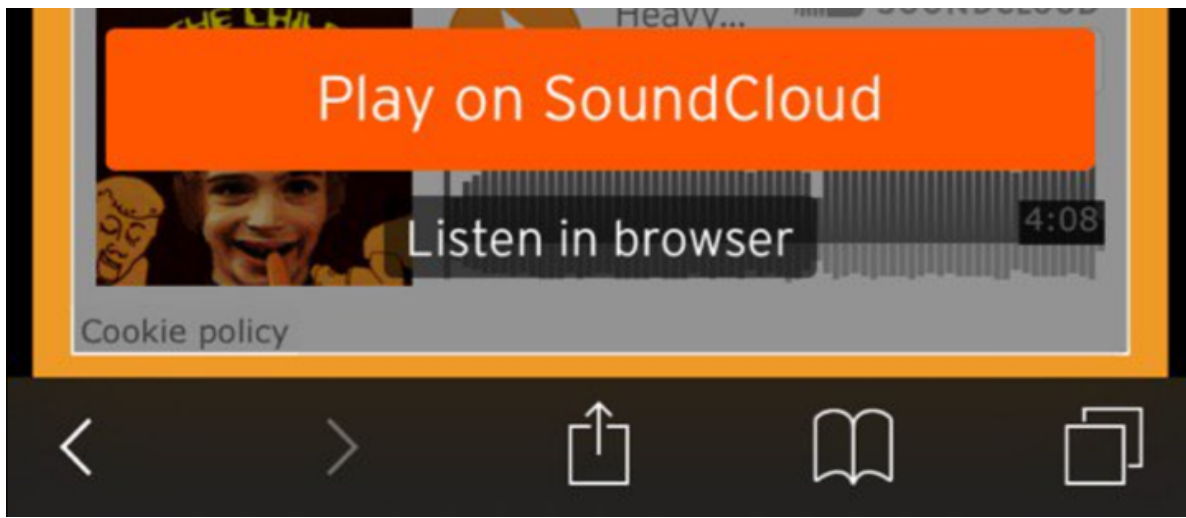

Notice how the poster on the left looks a lot like the Jeffrey Dahmer art. Also, on the pizza poster, WHAT THE FUCK IS PIZZA EXORCISM? And why is it all ages? Internet searching the band Heavy Breathing returns interesting results. A member of the band is named Amanda Kleinman. Check out one of her many seriously disturbing YouTube videos where she refers to herself as “puppet” and literally talks like a baby (using w’s instead of l’s, etc.). I chose this video because she has drawn what is known as a “Changeling” – a spirit that steals a human child and replaces it. Google it. Fucking creepy. [Creepy Klein Video](#) UPDATE: (REMOVED BY USER) Here’s a different unsettling video of her

“performing” at Comet Ping Pong: [Amanda Kleinman Stage Persona “Majestic Ape”](#) She makes pedophile jokes in multiple different “performance art” videos and one time even jokes about euthanizing a baby...

Here’s a picture from Heavy Breathing’s website:

^I don't recommend going there because it's just plain gross, and yes there's lots of pedophile references by this band. But if you insist: [Heavy Breathing Website](#)

Here's another band apparently worthy of performance at a family friendly pizzeria:

If your child told you they were going to an all ages show by a band named Sex Stains, would you be cool with it or call the police? What about if you watched their video and saw a known FBI-issued pedophile symbol in it??

### Sex Stains - Land of La LA (Official Video)

**UPDATE 11/25: SEX STAINS' RECORD LABEL MANAGER GOES ON VOAT PIZZAGATE BOARD AND TRIES TO CLAIM THE SYMBOL IN THE VIDEO "ISN'T EXACTLY LIKE THE PEDOPHILE SYMBOL" LMAO BTFOOO**

The picture on the left is art from Comet Pizza. This was visible from multiple posts and YouTube videos. Notice they are holding decapitated heads? Okay... \*shivers\* Picture on the right is a leaked photo from the Rothschilds “Illuminati Party” in the 1972. What’s up with the antlers? Must be some rich people pedophile thing we peasants don’t understand.

The artist of the Comet Pizza wall art is Arrington de Dionyso. Here’s some more of his “art”, in case you think the decapitated heads thing is purely innocent:

arringtodedionyso

...

Okay so at very best, these are very odd, probably Satanic people. At worst, they are part of a massive pedophile and human trafficking ring that involves some of the world's most powerful people. Is it a coincidence Clinton Foundation only works in countries that do not issue birth certificates? Or that Bill Clinton rode on Epstein's 'Lolita Express' 26 times (that we know of)?

Even creepier is that we KNOW there are underground tunnels in DC, and there are some very close to Connecticut Ave. Look at what the owner posted:

What are they doing? Notice the ping pong table against the wall? **UPDATE:** Anon said they checked with the city, and neither Comet Pizza or neighboring businesses have filed a building permit within the last three years. It is off record whatever they had done here.

Knowing all this, it may become creepier to see that John Podesta has a piece of artwork in his office portraying cannibalism.. Below is a real picture from his office published in an interview with his face photoshopped in so casual observers know who this art belongs to.

Another name of interest is Rachel Chandler. She is pictured here with Bill Clinton at what most expect is age 15. She even writes on her Instagram (before it went private) that she was only 15 when she was pictured with P. Diddy, Eminem. Now on her tumbler and Instagram, there are photos of random half-naked children. [Rachel “Child Handler” Tumbler](#) We believe she might be involved in recruiting, or what is known as a “handler” in the human trafficking world. She is a professional photographer now seemingly in the fashion industry, yet a lot of the photos of the very young “models” have sexual tones to them. The evidence on Instagram was more damning, but we can no longer access her posts.

Researching Bill we have also encountered the name Kevin Reynolds who is involved in some “East Hampton Babysitters” business with a website that also connects to a masseuse business. I shit you not, the massage site actually said it was “the world’s first baby massage experts” or some CREEPY FUCKING SHIT along those lines. I went back to get a link but the site gives an error now saying “traffic quota exceeded”.

Actually yes you do post everything on social media

*Actual friendship bracelet these sick fucks made public on Joe Biden's Twitter*

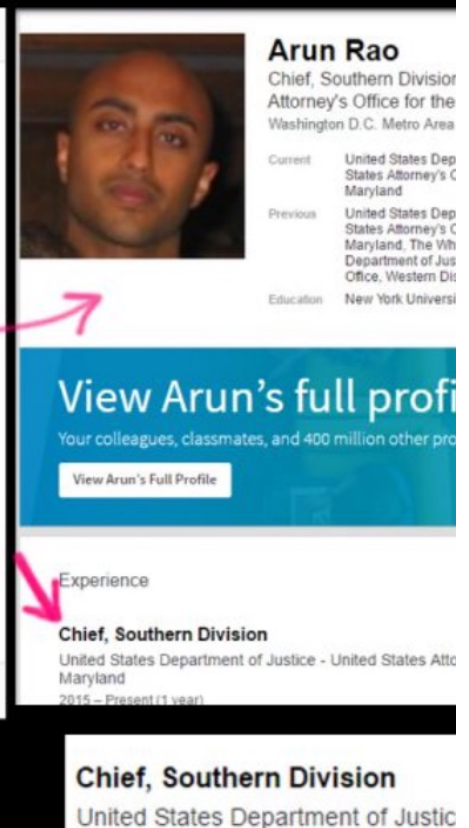

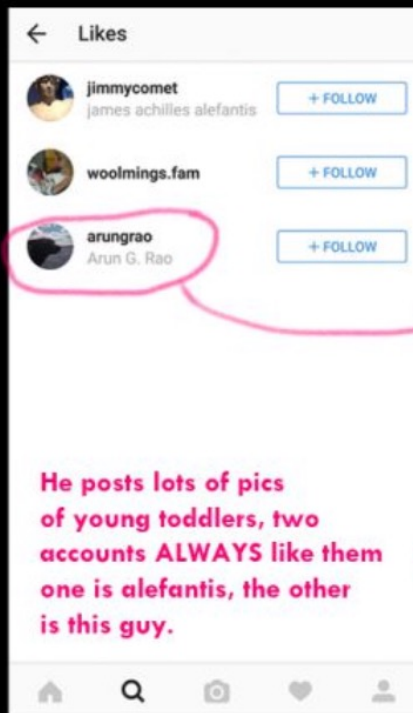

This is very disturbing stuff, and I believe any sane citizen can connect these dots and say something very sinister is happening. I am honestly horribly frightened at what we've uncovered, and I fear for the life of those who try to expose it, including my own.

UPDATE 11/9 – Anon has learned of a password secured area for Comet Pizza <http://www.cometpingpong.com/protected> This is extremely odd for a pizza place. Within hours, Anon had infiltrated the servers. I'm not a hacker, so I'm just relaying information here, but it seems there is extensive security which even our best men have not been able to breach. ALL THAT TO PROTECT A PIZZA JOINT? They have confirmed the coded files able to be viewed but not downloaded are video files.

UPDATE 11/10 – Besta Pizza officially changed their logo. [Dr. Pong Site](#) is hosted by the same admin that hosts cometpingpong.com. They advertise on the Dr. Pong menu "sticky as a long, slow summertime fuck – 10,000". WHAT IN THE ACTUAL FUCK. The same admin also hosts a site called [goodandplenty.de](http://goodandplenty.de) which is CLEARLY not a real retail site. Picture of "das organizer" man with markers held to his head with rubberbands? WHEN WILL THIS RABBIT HOLE STOP?

UPDATE 11/12 – 4chan was under DDoS attack yesterday. This began around the time we discovered two things: 1) the images in Podesta Wikileaks may contain hidden information through steganography. So far we have not been able to extract the data, but it seems a promising lead. Many suspect if extracted, we would find the smoking gun – child porn. Obviously this is just speculation at this point. **UPDATE: I am reading conflicting anecdotal reports. Some people say there is nothing there. Others say it is nearly impossible to decrypt without the key. Some agency is continually muddying the waters in our platforms. I remember initially when people started posting pics of pizza.jpg from Podesta's email on 4chan saying they found steganography coding, all these shills came out of the wood work and started screaming absurd things such as "run a magnet over your harddrive" and "destroy your laptop now or you're going to prison!". This reaction alone seems highly suspect.** 2) The name Arun Rao is connected through James Alefantis' Instagram. He works for the DOJ and he is also responsible for prosecuting human traffickers. Many people have accurately pointed out between Arun Rao and Andrew Kline, this may be the most significant incident of the 'fox guarding the henhouse' we have ever seen.

## DC reporter, friend of Alefantis

^Best pic I have for now.

Anyways, 4chan mods started deleting the 100+ thread archives of over five days worth of collective investigative research. Some of this information is likely lost forever. We had a huge crowd sourced investigation, like nothing ever undertaken before with hundreds of leads and connections documented, and now most threads are gone. 4chan also started banning users randomly. I opened up a new thread, posted a few pics like I had been doing for days now related to Podesta, and suddenly I was given a four day ban on posting. They are definitely trying to silence us, there is no doubt. If that is not admission of guilt, I'm not sure what is.

UPDATE 11/17 – A woman by the name of Monica Petersen who was investigating child trafficking in Haiti in possible connection to the Clintons has been reported deceased. Officials refuse to give family any additional information. This was confirmed through her personal Facebook page.

UPDATE 11/21 – **SMOKING GUN FOUND**. Anonymous members ohour and Eclipse\_OW found THOUSANDS of Twitter accounts with ACTUAL child porn posted. Please remember that Twitter has banned people like Milo for ‘saying mean things’, yet somehow these accounts remained. Before being suspended, ohour had linked to one username saying it was an FBI account. Eclipse\_OW was also suspended for trying to report disgusting pedophile accounts. **THANK YOU FOR YOUR SERVICE oHOUR AND Eclipse\_OW!**

I also read that 2GB of child porn was obtained by Anon from WeThePizza’s website. I have not seen confirmation of this yet, though. Quite frankly, I hope not to. This entire experience has shaken me to the core.

If you would like further information, please visit [reddit.com/r/pizzagate](https://reddit.com/r/pizzagate) for a comprehensive review of connections and links by this amazing, now international crowd-sourced investigation. **EDIT: R/PIZZAGATE BANNED**

20:46 Update 11/21 – Don’t worry, folks. New York Times calls us all crazy and says we should feel bad for the Satanic, sociopathic pedophiles. [NYT Calls PizzaGate “Fake News” and Victimizes Pedophiles](#) Snopes also “confirmed false” without disputing any of the disgusting Instagram pics or the “coincidences” of pedophile symbology all over the block. Now we can all stop talking about it and my PTSD from this investigation can magically disappear! Haha, NOT. **EDIT 11/25: VETERANS TODAY ALSO “DEBUNKS” MY BLOG SPECIFICALLY AS SLOPPY INVESTIGATION** [Veterans4Pedos](#)

UPDATE 11/22 – The powers that be just shut down the sub Reddit r/pizzagate, but they let r/pedofriends exist. **THINK ABOUT THAT FOR A MINUTE.** 1984 is real, folks. Deleting subreddits and 4chan threads surely just SCREAMS innocent, right?? They claimed our crowd-sourced investigation is a “witch hunt”. LOL at admitting your Satanists. It’s not OUR fault Alefantis post incriminating photos sexualizing infants to the internet publicly. Too many mothers, fathers, and concerned citizens have seen the pictures to just let this

all go as “fake news”.

UPDATE 11/23 – We are being bombarded by trolls continually gaslighting the accounts talking about PizzaGate online. Who pays these people? Only ad hominem attacks, nothing of real merit. Trust me, I do NOT want all this to be true, but until someone can explain the code talk, the Instagram pictures, the bands and businesses with all the pedophile symbols, I have to assume this is AT MINIMUM very important to look into. I keep reading the same robotic talking points, “This is a 4chan hoax!”. In response, I say Wikileaks emails are 100% accurate. The screenshots of James Alefantis’ Instagram are 100% genuine (I saw them personally before he went private). All other information is available online to confirm for yourself, please DO YOUR RESEARCH BEFORE SPREADING DISINFORMATION THAT THIS BLOG CONTAINS FAKE NEWS. The only thing I can not 100% verify the source from is the Obama picture. Some Anon posted it on 4chan and I haven’t seen any other sites reference it. Was it FBIAnon helping us out?

And if you still are not convinced, I challenge you to do your own fact checking and research. Basically the connections are so vast, there is no way to accurately summarize it in an essay meant to capture the immediate attention of the public. FBIAnon was right... It is like a spiderweb; it connects to powerful people not just around America but around the entire globe. Norway and Australia both recently exposed pedophile rings in high places. Soon it will be our turn to finally bring justice to some of the most heinous of crimes (and I use justice loosely, because there is NOTHING that will ever help these poor children to live a normal life after what they’ve been exposed to).

UPDATE 11/24 – Reddit CEO, username spez, admits to EDITING user comments without admin permission. Suspected Media Matters (connected to Alefantis’ ex-lover David Brock) disinformation talking points identified and seem to be taken straight from Saul Alinsky’s playbook which is dedicated to Lucifer:

1. Accuse the accusers of what you are guilty of
2. Gaslighting (making one question one's sanity)
3. Discredit source: 4chan hoax, autistic troll, obsessed with pedophiles, conspiracy theorist, alt-right, internet sleuths, psyop to false flag for fake news suppression etc.
4. Do not acknowledge evidence, EVER
5. THEY JUST LIKE PIZZA OKAY?

Please take this knowledge with you when on social media. Do not engage the trolls – just block them, otherwise they SUCCEED BY DISTRACTING YOU FROM INFORMING REAL PEOPLE. #PizzaGate #PedoFiles #Pedosta Hijack trending tags.

Go to your local independent media. Keep addressing the issue until their forced to acknowledge it. Go to the church. Angry members of churches will unite to make their voices heard. If everybody tells only three people, we can multiply our forces exponentially.

**And lastly I want to say THANK YOU to all my readers, people who have shared this blog and made YouTube videos referencing it to get the word out. The only thing that can possibly overcome this level of evil is a very concerted effort by the masses to stand up and say, "I'M MAD AS HELL AND I'M NOT GOING TO TAKE IT ANYMORE!" You all have started the fire, and for the first time in a while, I actually feel hopeful that we can truly bring some of these sickos to justice.**

Sign off note: Dear MSM, I voted for Bernie then third party. Stop smearing everyone investigating this as alt-right Trump-supporting internet sleuths! But if you are suggesting they are the only ones who would care to investigate pedophilia, I think that says a lot about the Democrats. RIP in peace DNC, Nov. 2016

Disclaimer: I do not condone or support the harassment or any sort of violence against the people listed or referenced in this blog. I do however condone peaceful protest and civil investigation, along with the death penalty for convicted pedophiles 😊

This is in plain sight as referenced in my post below.

Extraordinary fact! Among the sacred records of the Christians there are two texts which the infallible Church makes no claim to understand and has never attempted to expound: these are the Prophecy of Ezekiel and the Apocalypse, two

Kabalistic Keys reserved assuredly in heaven for the commentaries of Magian Kings, books sealed as with seven seals for faithful believers, yet perfectly plain to

an initiated infidel of the occult sciences. There is also another work, but, although it is popular in a sense and may be found everywhere, this is of all most

occult and unknown, because it is the key of the rest. It is in public evidence without

being known to the public; no one suspects its existence and no one dreams of seeking it where it actually is.

in this doc

[http://hermetic.com/crowley/aa/Rituel%20et%20Dogme%20de%20la%20Haute%20Magie%20by%20Eliphas%20Levi%20Part\\_I.pdf](http://hermetic.com/crowley/aa/Rituel%20et%20Dogme%20de%20la%20Haute%20Magie%20by%20Eliphas%20Levi%20Part_I.pdf)

others seem to have found this symbolism and similar connections to Magi and the Illuminated ones..

You should add a disclaimer asking people not to contact them with threats. Regardless if there is or isn't anything to this, it is just going to do more

harm than good.

Also all of you posting that this is done by Satan himself, that Hillary is in cahoots with aliens from planet nibiru or that the Clinton Foundation is a vampire coven: please stop. This whole thing isn't really standing on hard evidence and your lunatic ideas are making it even more ridiculous. If there turns out to be a pedophile ring without the shadow of a doubt, then you can continue with whatever crackpot ideas you have but until then: shut up. You are making things worse.

Page 8 of 123

A goat-headed prince bounds forward among them; he ascends the throne, turns, and assuming a stooping posture, presents to the assembly a human face, which everyone comes forward to salute and to kiss, their black taper in their hands. With a hoarse laugh he recovers an upright position, and then distributes gold, secret instructions, occult medicines and poisons to his faithful bondsmen. Meanwhile, fires are lighted of fern and alder, piled up with human bones and the fat of executed criminals. Druidesses, crowned with wild parsley and vervain, immolate unbaptized children with golden knives and prepare horrible love-feasts. Tables are spread, masked men seat themselves by half-nude females, and a Bacchanalian orgy begins;

I also see many photos of Blue vervain

<http://www.motherearthliving.com/~media/Images/MEL/Editorial/Blogs/In%20the%20Garden/Blue%20Vervain/Blue-Vervain.jpg?la=en&hash=168991917D269DF932CF6134113BA8F5DE04603F>

Fern and Alders also referenced in the

Eliphas Levi  
Dogma et Rituel  
de la  
Haute Magie

Many of the links referenced end up on Instagram and Facebook as well as blogs with artistic photos of items clearly identified in photos by friends of comet pizza and referenced in the Eliphas Levi document.

it all seems to appear as if it's Illuminated in the photos in plain sight but has no meaning to most people, those of "petty minds" only the initiated infidel of the occult sciences would understand the meaning of the symbolism.

<http://www.cometpingpong.com/friends-1/>

Blue vervain, fern, alder leaves, strawberries, coffee with hearts, crabs, pizza, and people holding infants and with young children, and many other symbols

I've been waiting to post my reply. You've got it. I think people's searches are way too narrow with the pizza place. They are just (thankfully) the loudest of these sick idiots, but I believe the sex trafficking is a part of many cults.. Look at the index of files and what do you see? Rosicrucians, Scientologists, Skull and Bones, Church of Satan, Illuminati, and so on.. This goes so far and wide,

it takes more than one cult or pizza place to filter this many disappearing kids through the system. Thousands and thousands of kids go missing, and I believe it is because it's a network, run by Satan himself. You may not believe in such a high power, but look what's been uncovered so far, and how sick these people are.. I believe we would cover way more ground, if we split up and search through all the different cult files, names, and YouTube videos. There is so much attached.. For instance:

Illuminati: child sex trafficking and mind control abusers. Just this one video implicates several Washington elites and some Hollywood elites.

Fiona Barnett tells Her Story [Survivor Trigger Warning - Graphic]

Fiona implicates one, Antony Kidman (Nicole Kidman's Father) career pedo and child abuser. Also abused and raped Nicole.. We know Hollywood is filled with pedo and child sex abusers. Nicole Kidman was married to Scientologist Tom Cruise. Scientologists have also been accused of sex trafficking. They've

got the money and the secrecy to carry out a large scale operation.. the Church had even been accused of, from waaaay long ago, “white slave trafficking & sex perversion”.. <https://file.wikileaks.org/file/scientology-top-secret-actions-against.pdf>

They will launch a character assassination campaign on you, if you attack them, or try to leave. They’ve been accused or suspected of trafficking before <https://michaelbennitt.wordpress.com/2012/09/03/human-trafficking-in-the-united-states-today/> .

Also, take some time to look through the Illuminati Card Game. This game was made in 1995. Notice the Church of Satan, the Rosicrucians, the “Church of Violentology”

<https://m.facebook.com/media/set/?set=a.479049158789282.117781.147849131909288&type=1>

There’s so many more cards that are very menacing and dark in accordance with today’s world.

Anyway, I just think we need to go more widespread.. I noticed an international charter member list in the Scientology file in the index of file link

<https://file.wikileaks.org/file/>

I was just thinking about running some names in Podesta’s emails and how long this could all take, and how deep this all goes.. I just know this is way worse than some pervs at a pizza joint.

Like, one of the emails I read in the Scientology files makes it sound like Scientology was able to spread it’s diseased roots into each continent (even after our govt tried to stop them) because they caught our govt smuggling drugs into it’s own borders, and was able to blackmail them into leaving them alone to thrive, or risking them exposing them.. This is very deep and twisted. Maybe they decided to partner up down the road.

More breaking news

coincidence? After Kanye West verbal attack on Jay Z and Beyonce. I mentioned a connection with Hillary & Podesta & Aleister Crowley in a previous post. apparently there is conflicting info Kanye mentioned pizzagate in his rant.

| [Kanye said "Look up Pizzagate!" At San Jose Show](#) from [pizzagate](#)

Kanye West has been taken to UCLA Medical Center for psychiatric evaluation.

According to law enforcement sources ... cops responded to a call for a welfare check on Kanye around 1:20 PM PT. He was at his trainer, Harley Pasternak's home at the time and was "acting erratically."

We're told police called L.A. Fire, and by the time paramedics arrived Kanye was calmer ... but still resistant to going to the hospital. We're told everyone — his management and law enforcement — convinced him it was best he

go.

Law enforcement sources tell us Kanye was restrained by handcuffs to a gurney during transport to the hospital.

Sources connected to Kanye tell us he was getting checked out by one of his doctors for severe sleep deprivation while he was at Pasternak's place ... and someone decided to call police.

The hospitalization comes on the heels of Kanye abruptly cancelling the remainder of his Saint Pablo Tour, and launching into a verbal attack on Jay Z and Beyonce.

As we told you, Kim Kardashian flew to NYC early Monday for her first public event since the Paris robbery ... but she's now officially bailed. It's a good bet she's wheels up for L.A.

Story developing ...

Is there any way we can send comments to NYT regarding the quality of the “journalistic efforts” of Cecilia Kang? She claims this is “fake news” because Alefantis says so, without asking why he has not offered proof to rebut these allegations or why he has not hired lawyers to send “cease and desist” letters for libel or slander? These seem like obvious questions a journalist should ask. For a man listed in GQ’s 2012 Most Powerful Men in D.C., this reporter acts like he’s a poor business owner with no recourse.

A real journalist would ask Mr. Alefantis a simple question: “Even assuming what you say is true, and this is fake news, why are there bands such as ‘Heavy Breathing’ playing at your venue, without some type of explicit statement that this adult entertainment and children are advised to not attend.” There’s a requirement that cable list the appropriate viewing age for a program prior to its showing to alert parents that there may be content not suitable for children.

This pizzagate is real. The lack of journalistic integrity in this NYT piece reporter is appalling. I think a high school journalism teacher would give this article a ‘D’ for lack of investigation in this journalistic piece. She doesn’t even attempt to state “Mr. Alefantis believes this is fake news.” She instead states affirmatively, “This is Fake News,” with no attempt to provide insight into why the proof against Alefantis is false. If anyone is making a defamatory statement

here, it's this reporter for defaming us PRIVATE CITIZENS by making an affirmative statement as true when in fact there was no investigation to determine whether or not our statements as PRIVATE CITIZENS are true or false.

This journalist is also in a position to where the generally accepted public would normally believe the veracity of reporting done by the NYT. Notice in these pizzagate threads, we never affirmative state from a public position of trust and confidence that "THIS IN FACT HAPPENED." We are all saying from non-established sites which have not earned the trust of its readers for decades that "THINGS LOOK SKETCHY AT BEST CASE SCENARIO." We all want to say more, and I think there's enough for an indictment. But notice I say "I think there's enough." I don't say "There is evidence beyond a reasonable doubt that this in fact occurred."

I think there's a case here that this NYT article is defamatory to us private citizens, by making these affirmative statements without determining whether there is truth to the statements, or by even stating that it is this reporter's opinion that this is 'fake news.' It's stated as settled truth, but it's not. This is defamatory to all of us.

Hi there, been lurking on reddit till it got shot down. Thought I add to the kawinkadink pile. I read a book by Ted Gunderson awhile back, formerly the head of FBI in L.A., who talked about the sex trafficking network. He said the group was called "The Finders." So I think there's a connection between the Macaulay Culkin celeb stuff I was seeing on reddit and Gunderson's work.

Someone linked to one of his pizza underground videos (this one: [https://www.youtube.com/watch?v=Vm4N1pbxn\\_g](https://www.youtube.com/watch?v=Vm4N1pbxn_g) ). In the movie there's a movie inside within the movie titled How I Saved the President (aka, as it is listed on IMDB, The Undercover Kid). Now read the plot description of this movie and you'll likely see the connection to the occult. Now, how it connects to Gunderson and The Finders is this: simply search The Finders on Google and the first listing is this book "The Finders" by Nigel Hinton ( [https://en.wikipedia.org/wiki/The\\_Finders](https://en.wikipedia.org/wiki/The_Finders) ), a children's book. Now read the plot description. It's like they were working from the same outline right. For the skeptics, I still consider myself skeptic, not so much about pizza being code, or that sex trafficking exists, I'm pretty much convinced of both, you gotta admit this becoming one helluva pile of kawinkadinks.

## PART ONE OF THREE.

Ok guys, I am going to point out some Q&A from FBIAnon on 4chan that hasn't been explored in relations to Pizzagate. There were 7 Q&As (that I know of) over about a 4 1/2 month period, early July to very late October.

It is very long, so I may have to do it in multiple parts.

WATCH FOR "Forum Slide" ON THIS ONE. (If you don't know what "forum slide" is, look it up.)

But first, the TL;DR

TL;DR: FBIAnon alludes to all of the following having connections to pizzagate:

- 1) Search the e-mails for the following code words: cards, favors, extras, officers
- 2) George Soros' connection to Tavistock Institute, and their connection to the Clinton Foundation.
- 3) "London Connection" to CF
- 4) Saudi Arabia and Qatar connections to CF
- 5) State Department officials who donated to the CF
- 6) The Bonner Group
- 7) Henry Paulson, TARP, major bank that went under as a result of TARP
- 8) USAID
- 9) CF investment deals in Africa, specifically countries that have poor records of births
- 10) Accounting firm who did the books for Haiti's earthquake relief
- 11) Majescor company
- 12) Muhammad Yunus (warning: it is inferred that FBIAnon thought this one would be very dangerous)
- 13) Scalia's murder, what he was looking into when he died, and it's relation to the CF.

- 14) FOIA (Freedom Of Information Act) on Monsanto, GMO, and HRC. (No idea why FBIAnon thought this was important.)
- 15) Mark Lamont Hill
- 16) Barack Obama Foundation, and O'bummer's brother.
- 17) Projects funded by the CF, where the receiver was small, in a failing industry, and who had people owning/working for it that donated to the CF
- 18) A "certain Indian businessman" who has been "routinely accused of pedophilia"
- 19) Cheryl Mills (and where she worked before joining the CF)
- 20) "Gates, Buffett, Soros, African kings, the Royal family"
- 21) Elisa Lam (unsure about this one, may not be related)
- 22) "Zika, Abbot Labs, Gilead" (may be red-herring, or related to population control)
- 23) Helge Traasdahl/Tapad (may only be connected to election rigging)
- 24) The Cohen Group
- 25) Brookings Institute/2014 CHARGE projects
- 26) The company that put together the advertisement for HRC with all Avenger celebrities.
- 27) "What constitutes Mark Cuban's net worth?"
- 28) Lester Holt is a journalist who can be trusted (according to FBIAnon)
- 29) ALL members of the GOP who lead the "coup" against Trump.
- 30) Dirty money funneling to CF via 501(c)4, 527, and 4847(a)1 companies/trusts/foundations
- 31) State Department officials who met in secret with foreign officials
- 32) "Who is affiliated with the BoD for M Partners, and do they have ties to the CF?"
- 33) Was the TPP fast-tracked to aid in transporting children across the Pacific? (totally stolen personal idea from an associate.)

I hate leaving it at 33, because of the connotations of that number, but I can't think of anything else to put in or leave out. Sorry.

I will put the question by 4chan Anons like this: “Question: Question by 4chan”

The answers by FBIAnon will be “FBIAnon: Answer by FBIAnon”

Any of my comments in the quotes will be in parenthesis, like so: “(My incredibly astute comment)”

All of the full questions and answers were put together by someone else, I just make the link available to you.

<https://mega.nz/#!mspAzSpZ!LraJDYVt7S9t3joZQcxwQ66wU6GeOWPOqHscYqpOFec>

(Edit: First two pages of this doc: <https://sli.mg/5P38Su> <https://sli.mg/siM6Lg> )

Remember, FBIAnon says he will mix bullshit with truth, so he will have plausible deniability in case he is suspected of leaking info.

To begin, know that you are experiencing pushback not just from the bad guys, but from the good guys as well. Why?

Question: “>the entire government to be brought down >I very much doubt this.  
“

FBIAnon: “She has SAP level programs on her server, which if made public, would literally cause an uprising and possibly foreign declarations of war. “

Question: (Anon user quoting FBIAnon) ““There is intense pressure for us not to do so. I am posting from a position of near anonymity and enough plausible deniability to evade prosecution, as we have all been given gag orders. There is enough for her and the entire government

(ENTIRE GOVERNMENT!)

to be brought down. People do not realize how enormous this whole situation actually is. Whether she will be or not depends on how much info about others involved gets out, and there are a lot of people involved.”

(Anon’s Question:) “Fuck you for not doing your duty to the people, you jaded amoral fucks. You’ve blown what little trust I had left that there were still decent patriots left in the government. You fuckers are gonna let the biggest, most corrupt cunt take the highest office in the land. You think that won’t bring this country down? Fuck you. Fuck you. Fuck you”

FBIAnon: “I will put it to you this way: You have three choices:

A) Turn over all of the information to the DOJ, make public a recommendation, the truth

comes out, the entire world realizes how much the US is meddling in foreign affairs and

we go to war. The civilian population realizes how much foreign money influences out government, and a civil war begins.

B) You cherry-pick the data to implicate the people already in the eye of public opinion, so

the chips fall on the heads of a select few and the whole system does not crash.

C) You do nothing and watch the unstable political climate to gauge how you will respond.

I am confident if Trump wins she will be going to jail”

Question: “At bare minimum, you need to do B. If you can’t at least make examples of people, the

existence of the FBI is pointless. Start with the most corrupt, like Clinton (and, I presume Feinstein), and each year, choose 3-5 new people with any level of power to indict. Do this until people start

retiring. Don’t RICO the entire federal government. You have the option to do it slowly, so do it

slowly.”

FBIAnon: “But if we do it slowly, people like you will get mad that we are not working fast enough.”

Question: “Could the release of this information cause a Civil War in the USA? Leak it. Do it. The day of the rope is nigh”

FBIAnon: “Yes.”

If the above is true, the good guys are stuck between a rock and a hard place. If they expose it all at once, we get war with foreign countries, as well as civil war. I’m not saying they are right or wrong in their assessment, only that this is what the good guys in government believe.

So, don’t be discouraged that you are experiencing censorship from all sides. Keep at it! What is your inducement to keep at it (aside from saving those poor kids)? This.

Question: “...Has /pol/ ever found out anything that the FBI didn’t know before the FBI did?”

FBIAnon: “...yes.”

Things will change on January 20th. If not, there’s always this:

<https://mega.nz/#!mspAzSpZ!LraJDYVt7S9t3joZQcxwQ66wU6GeOWPOqHscYqpOFec> (Edit: first two pages of this doc: <https://sli.mg/GZ8Vcg> <https://sli.mg/HzmLRx> )

Now that I have laid a little foundation, we get to the parts that are related to Pizzatgate.

Question: "Simply put. Soros owns Tavistock. Tavistock owns the government. ..."

FBIAnon: "Someone is on to something." (IMO, This means that Soros and Tavistock Institute is wrapped up in Pizzagate as well.)

Question: "Ok. Do tell. What about the human trafficking? I assume that those who can be indicted are involved."

FBIAnon: "Pedophiles and sex traffickers everywhere. Many politicians trade girls like cattle."

(We are looking at top-level politicians in this. Congress, Federal Judges, FBI agents, CIA/NSA agents, police officers, local, state, and federal. Don't just limit the investigation to guys who own pizza joints.)

Some of you who have tried contacting police are getting blown out. Here is why.

Question: "I want to believe you, Anon...What are the chances that the army will go along with Obama's call to martial law? Do you know anything about how the military department feels about it?"

FBIAnon: "Red team planner. Military will defect in large numbers should they be compelled to act against their own population. However, the police will not. They are not trained to reasonably react to a situation, only to follow objectives and pursue targets. It is a very different mentality from the military, hence the militarization of the police. They are to be feared."

Question: "... Are there any more places to focus on? ..."

FBIAnon: "... 4- The London connection, not enough attention to Saudi Arabia,

Qatar breakthroughs are a focal point. ..." (Remember the twitter girl named Molly? And how she said a lot of the child porn featured Arabs? Connect those back to the Clinton Foundation.)

PART TWO OF THREEPART ONE OF THREE.

Question: "I spent numerous hours searching into Qatar but other than bribery for the bid to host the 2022 World Cup, it seemed like a dead end."

FBIAnon: "The roads are not always direct. There are people involved which hold incredible influence over US politics. Here is a hint: find everyone involved in the State Department who has recently made a donation or speech in relation to the CF. Public figures are not to meet with foreign officials in secret – so who did?"

(Ok, here FBIAnon is saying look into the State Department, and find out who made donations or speeches for/to the Clinton Foundation. Also, to find out which public figures met with foreign officials in secret. Remember, these people are ALL related to pizzagate, and the rape, mutilation, and killing of kids. Don't get discouraged. If FBIAnon is leaking this, that means there is a way to find this as public info or with a little white-hat hacking.)

Salient FBIAnon quote: " The media will attempt to bury any mention of the CF." (CF=Clinton Foundation)

Salient FBIAnon quote: "She intends to do what the Clintons have always done – sell out weapons, favors, intelligence, and people to anyone willing to pay." (So, pizzagate, and the related information may not just be about kids, but may also include weapons, pay-for-play, and intelligence. Notice that FBIAnon didn't talk about selling just kids, but "people".)

Question: “The Bonner Group, warm or cold?”

FBIAnon: “Hot.” (Has anyone started investigating The Bonner Group? If not, someone should.)

Question: “Any ideas on where to keep going with China? How significant is Henry M. Paulson?”

FBIAnon: “What was Paulson’s past corporate affiliation? Where did he get the idea of TARP from?

What major bank went under as a result of his actions?” (Always remember, the elite are ALL child rapists. That is how they cement deals and know they can trust each other, because of the threat of the blackmail.)

Question: “Is USAID in any way complicit and aiding in the human trafficking?”

FBIAnon: “!!!” (Direct quote from FBIAnon. Look into USAID, and how it connects into the Clinton Foundation.)

Question: “How significant is Africa? I’ve been a bad researcher, and lazied out on tracking African organizations (I was sick though) and relating it to migrant stuff. I’m thoroughly convinced that most of her aide funs don’t really do much aside from keep the entire place down via limited work, though.”

FBIAnon: “Africa is a hotbed for investment by the Chinese and other organizations. The question is, how is HRC benefitting from the investment deals? Why would we want to engage in war over the African plains?” (FBIAnon later says war for food and minerals, but I would say that it makes it easier to pick up orphans for their sick and twisted uses. Easier to grab kids from areas that don’t have good birth records, right? Just like Haiti.)

Question: “Was Ludner Remarais involved in quid-pro-quo with regards to the Haitian gold mining rights? Where the hell would you even find evidence for that since Haiti’s financial records are very spotty, especially around the earthquake? Also, how is M Partners Inc. connected to the larger picture? They bought Majescor shares for 1/10 of open stock market value, which screams shady. They’re obviously a shell company, but information is sparse.”

FBIAnon: “1) I do not know.

2) Why are they spotty? Who does the accounting?

3) It screams shady because it is shady. Who is affiliated with the BoD for M Partners, and do they have ties to the CF?”

(Remember, there are other forms of currency than just money. Gold for instance. Or little kids. If you sold a bunch of kids, how easy would it be to launder money through a gold mine? Who is going to check that you “found” 100 ounces of gold that one day?)

Question: “I found it rather odd the people who write the reports on issues like human trafficking in Haiti are also the group that award mass aid grants to Clinton Foundation members like Muhammad Yunus.”

FBIAnon: “Be careful.” (Who is this Muhammad Yunus character? Why does FBIAnon say, without actually saying it, that linking this guy into the whole thing can get Anon killed? Someone who knows how to cover their tracks VERY well should look into this guy. And be quiet about it, until you have a lot of info to post.)

Question: “Funny how Scalia and Thomas were the only ones to dissent on the

ruling against  
human trafficking. Maybe he really was murdered for being too based.”

FBIAnon: “Scalia was murdered for something much more sinister.” (I have to honestly admit, I’m having trouble coming up with something that is “much more sinister” than raping, dismembering, then killing children. Anyone know what this could be?)

Question: “...Are FOIA’s (Freedom Of Information Act. It is used to get documents that are not classified from the government.) be something we should look in to?”

FBIAnon: “Monsanto, GMO’s, HRC” (I have no idea how Monsanto and GMO’s would be related to child rapers, but if FBIAnon put it in there, I have to conclude that, \*if\* he is telling the truth, there is a link to be found.)

(I have no idea how this next part is connected, only that my gut instinct tells me it is.)

Question: “Mark Lamont Hill. I remember getting a distinctly strange feeling seeing him on late  
night Fox News. I could tell he was very intelligent, but he seemed to be purposefully arguing talking points that he didn’t believe. On national television. Regularly. Can you give us anything more?”

FBIAnon: “What’s his background? Who is he affiliated with? Why does he hold his views?”

Question: “What about the Barack Obama Foundation? (or the one his brother runs, The Barack Hussein Obama Foundation?) Also, have you heard about the book, a manuscript of an unpublished ghostwritten book by BOH, reportedly purchased by “wesearchr” via crowdfunding from Obama’s

estranged brother Malik? What's the deal with that?"

FBIAnon: "Definitely dive into it." (Didn't somebody just post something either here or on 4/8chan about O'bummer's brother being linked to pedophiles?)

Question: "I had a revelation. Is the international economy is predicated on child trafficking? The rabbit hole is so deep, I wonder it's not a hole at all."

FBIAnon: "Predicated, no. Is it an integral component of elite circles? Yes."  
(Think about what this answer means: Any time you start pulling on strings left out by FBIAnon, no matter how unrelated they seem, he implies that it will soon unravel to reveal child trafficking.)

Question: "What resource-gathering penny stocks should we look at for connections to the Foundation? Also, can we assume that any resource penny stock that is HQ'd in Canada is connected to Frank Giustra?"

FBIAnon: "A useful hint is to look at the projects the CF has supposedly funded. Who got contracts after a donation, then what industry are they in? Were they in a failing industry? Were they too small to compete with larger companies?" (FBIAnon is saying to check into small companies whose shareholders/owners/board of directors donated to the CF, and is in a failing industry, who couldn't compete with larger companies, and you will find links to child traffickers. At least that's what I THINK he is saying. FBIAnon could be referencing pay-to-play, arms smuggling, or intel buying/selling)

Question: "Does the Clinton Foundation fund ISIS and then get paid by selling the oil that ISIS captures? ...and the women as well, too?"

FBIAnon: “Here’s where the dark side of the CF is.” (And here is where we get our first real indication that it’s not just children, but women as well.)

Question: “...What should we follow specifically?”

FBIAnon: “Why do HRC and the CF have ties to certain Indian businessmen, who, in many instances, have been routinely accused of pedophilia?”

Salient FBIAnon quote: “... If the truth came out, you all may believe. But who else would? It is too dark for anyone to stomach.”

Salient FBIAnon quote: “The bottom line is, you cannot keep shouting in an echo chamber. Your words/images are weapons. Use them as the media does. You see evidence all the time of people pushing narratives. They are no more or less capable than you.” (4/8chan should make memes about all these people, companies, and governments being involved in child rape, dismemberment, and murder, and post them everywhere.)

### PART THREE OF THREE

Question: “Does the human trafficking have to do with keeping people in line? Is that aspect of the CF the place where people get vetted/get their membership in “Hydra”? Is the child trafficking for blackmail/dead-man’s switch/enforcement files as well as recreation?”

FBIAnon: “1) Yes. 2) Yes. 3) Yes.” (Even if you think something has to do with weapons, intelligence, or pay-for-play, it is absolutely going to lead to child rape/trafficking.)

Question: “...Wonderful, I went on a frenzy about that in the first editions of /cfg/. Follow up set of questions: What connection does Cheryl Mills and the

BlackIvy group have to the Foundation? More sex slaves, or the possibility of blood diamonds, slave labor, and jungle work? Mills was allowed to keep her clearance after she left the State Department. Seems suspicious she is on the board of the CF and running a “development” group.”

FBIAnon: “(Cheryl) Mills is almost as important as Abedin. Where did Mills work before joining the CF?”

Question: “What do the Clintons want from Kosovo? Why is it so important to them?”

FBIAnon: “What does Kosovo represent on the geopolitical chessboard?” (Again, nothing concrete, but something is telling me this is specific to the child trafficking. Maybe check the laws on import/exports from that area?)

Question: “Any other exorbitantly rich families we should be looking into other than the obvious Rockefeller, Rothschilds, Saudi senpai etc?”

FBIAnon: “Gates, Buffett, Soros, African kings, the Royal family.” (Let’s play connect the dots. CF is interested in plains of Africa. Gates’ foundation is “vaccinating” children in Africa. Coincidence?)

Cryptic FBIAnon quote: “... Elisa Lam had proof of something, but no one got a chance to listen to her.” (Did Elisa Lam stumble onto something she shouldn’t have? At a cursory look, nothing stands out, but maybe a centipede can flesh it out.)

Question: “Any connection to Gates Foundation, CF, Big Pharma, weaponized cancer, tainted polio/malaria vaccines, Africa, Dr. Mary Sherman, fucking Oswald...? Is Kissinger involved with the CF kiddie trafficking? Harking back to the Blue

Grotto days. These threads really fuck with my head. Collusion theory overload.”

FBIAnon: “Zika, Abbott Labs, Gilead.”

Question: “What is the owner of Tapad, Are Helge Traasdahl’s relationship to all this? His name popped up a bit in the DNC leaks.”

FBIAnon: “Yes.” (Although FBIAnon answers in the affirmative when someone asks about Helge Trasshadl being involved in election rigging, so this might not have much to do with pizzagate.)

Question: “How many people has the CF had killed in this election?”

FBIAnon: “At least 14.” (Another time, he says 14 or 16 confirmed, 20 suspected.)

Question: “The Cohen Group: hot or cold? ...”

FBIAnon: “1) Hot. ...”

Question: “...The Brookings Institute. How evil is this organization? Is 2014 CHARGE project (combined Brookings and Clinton Global Initiative) used to launder money? ...”

FBIAnon: “2) CHARGE was used for weapons and people.”

Salient quote by FBIAnon: “...Everyone thought they couldn’t make a difference, now the MSM is openly trying to frame this board and others as right wing extremists to discredit us. That should send a clear message as to how threatening this board actually is.”

Question: "...Could you name some companies/people/events we haven't looked into already but are worth digging?"

FBIAnon: "...2) What was the organization that put together that ad for HRC with all the celebrities?

What major figure who endorsed HRC has business interest tied to the Clinton Foundation? What constitutes Mark Cuban's net worth?"

Question: "Was Hillary involved in Scalia's death at least? Does the Clinton kill list theory have merit?"

FBIAnon: "...The Clinton Kill List is very, very legit. ..." (Be safe guys, and cover your tracks when you are investigating these things. Use proxy/tor/etc., and look up how to do so safely and effectively. Also, sometimes, people forget to change your MAC address.)

Question: "...but this Lester Holt guy may actually be fair."

FBIAnon: "Holt is a pretty stand-up journalist. He knows what his role is."

Salient FBIAnon quote: "The CF always operates in countries where birth records are difficult to maintain. Let that sink in for a moment." (Someone could research all the countries the CF operates in, find out how spotty birth records are, and meme that shit.)

Question: Is the shit posted on this site legit?

<http://www.thecitizensaudit.com/>

FBIAnon: "It is asking the right questions, and yes, many of HRC's PAC's and even her campaign solicit foreign money and shadow money."

Salient FBIAnon quote: “...And, as an aside, when you are reading Podesta’s e-mails, remember that the Clintons deal in weapons, drugs, and people. Some terminology in use is far more nefarious than many of you suspect.”

Question: “Can you give any more insight into Scalia’s death?”

FBIAnon: “The common assumption is Scalia was murdered to help bring about gun control via another justice. But then any justice could have been sacked. What was Scalia doing before he died? What topic was he interested in?”

Question: “Did the GOP leaders pull a coup attempt so they have legitimacy to block him during his first term?”

FBIAnon: “They attempted a coup because they are bought by the same interests as the Dems. ...” (This means that the Republicans involved in the coup attempt are into the same things as the Clintons)

Question: “Was the Moloch shit ever worth looking into? I remember the Masonic anon talking about the Owl of Minerva, etc. and the connections to the NOW.”

FBIAnon: “The Owl of Minerva is an important gesture in upper circles.” (The word “gesture” implies that it is either a literal gesture, or a symbolic gesture. If it is a literal gesture, for example a certain color worn, or a certain hand movement, then you could identify involved elites from this gesture. If it is a symbolic gesture, then you will see it in written communications, and hear it in conversations. Someone needs to contact someone like Texe Marrs or Vigilantcitizen.com and get their take on it.)

Question: “How is foreign/dirty money funneling into Clinton’s PACs? Are they using their 501(c)4’s?”

FBIAnon: “Yes, but sometimes there are 527’s and 4947(a)1’s.” (The 4947(a)1’s seem to be related to trust funds, but I am not a CPA. Someone from that kind of background should look into those as they relate to the CF.)

Question: “(Code words to search for in the e-mail leaks. Two answers were combined.)”

FBIAnon: “Cards, favors, extras, officers”

Hi guys. I’m not sold on ideas of illuminati and such, but some of the things you’ve been digging and talking about – masks and rituals and such – reminded me of this article which came out this Suomen Kuvalehti at in early 2000, telling about this harrowing tale of certain boarding school in Taiwan, where kids of Finnish Missionaries lived while their parents were working. Person who was operating there to take care of the kids, was secretly operating with a child pedophile ring. There is description of a victim telling about people in masks, doing rituals, having capes on and what not, also talking about American soldiers and such... this happened around 1970, so it’s very old thing, and I could only find photocopies of the article through google, it’s finnish so you need a translator, but anyway.

<http://s929.photobucket.com/user/utulautturi/library/TAIWANIN%20OPPILASKODIN%20LAPSIUHRIT>

Reason I drop this here is to tell people that yes, sometimes when dealing with these kind of cases, some scary, demonic type of things do actually happen – probably to scare a child so damn badly that if they ever tell those things, those

will be considered as nightmares. But also, guys, there is possibility that someone is pulling your leg and giving you path to follow to troll with you guys by using elements from older cases. So be careful, don't be too quick to do hasty allegations.

Either way, I hope this gets sorted out. good luck.

Did Eisenhower Murder Patton?

In reading the gory details of Other Losses by James Bacque, the thought occurred to us that Dwight Eisenhower murdered George Patton. Although most Americans do not yet realize that Eisenhower was a mass murderer of epic proportions, and perhaps Bacque would be aghast that we have drawn such a conclusion from his carefully researched book, Eisenhower has clearly established himself as a murderer, and shown the capacity for murdering persons who cross his arrogant anger.

We are well aware of the many “proofs” that Patton died in a fluke car accident, but we don’t buy it. We have seen uncountable instances of the CIA covering up murder with “accidents.” Thus our view is that the “accident” in which Patton died was staged. But why would Eisenhower murder someone whom he rescued from professional oblivion on more than one occasion? The insight came to us in reading Patton’s remarks about Eisenhower’s brutal methods in handling captured Germans after the war, methods which he likened to the Gestapo. Patton also quickly and humanely released the

hundreds of thousands of German prisoners in his custody, which was at complete variance with Eisenhower's carefully calculated murder. The real risk to Eisenhower is that Patton had the public visibility and prestige to completely expose Eisenhower's lies and deceptions which he ensconced into the Army's public records to cover up his massacre policies. Although we do not think that Patton intended to embarrass his murdering commander, we do believe that he represented a risk nonetheless. And Patton's remarks about the Soviets were not helpful either. Thus we believe that Eisenhower had the motive and will to murder anyone who threatened his policies and posterity, and consequently ordered the murder – however subtly and obliquely – of George S Patton in a staged “accident.” Copyright 2014 Tony Bonn.

Hog – the late President, Harry Truman, was surrounded by spies ( 1945 ). This political criminal fired General Patton & General MacArthur. America is now under a commie infested national news media. The skirt chaser, Eisenhower, was an imported mad dog !

Excellent summary. When I first saw the odd email language, I didnt think much of it or the initial theories, but as more comes out I'm convinced this is real and quite massive. I've done some of my own research, namely on Brock Pierce, board member of the Clinton Global Initiative and accused pedo. At a minimum he comes off as a nut and associates with some very sketchy people, including a convicted pedo – not to mention hollywood mogul david geffen and director bryan singer, also accused pedos. The google links will blow your mind, thats why I'm posting this to anyone doing the research. How such a freak like this would get put on the BoD at CGI indicates to me this is likely not just a criminal organization, but a profoundly evil one.

I also think that this is not just about pedophilia, but also about testing experimental vaccines on third world populations such as those found in Haiti. I havent found any direct evidence, but it was damn suspicious that the clinton crime mob was working to help a company called MRI Global get into Haiti for some green energy project, when another side of their business is vaccines for

chem/bio warfare. Googling a bit more, it appears this wouldnt be the first time big pharma has conducted their human trials on poor populations throughout the world.
