More than a hundred years ago, Rudolf Steiner stated, *"In the future, we will eliminate the soul with medicine. Under the pretext of a healthy point of view, there will be a vaccine by which the human body will be treated... so that the human being cannot develop the forces of the soul. Then, in place of the human being, a creature will arise, but he would not develop a conscience, and that is the true goal of some materialistic circles."*

A viral video which claims to be a leaked 2005 presentation to the DOD by American geneticist, Dean Hamer, shows a man briefing a room of men about the VMAT2 gene, the God gene, and how it can be suppressed with the use of vaccines.

"Excuse me, at the left our hero, we have individuals who are predisposed to religiosity," the man says. "The VMAT2 gene, the expression, RSVG6, real time PCR, expression of the VMAT2 gene. Our hypothesis is that these are fanatical people, that they have overexpression of the VMAT2 gene and by vaccinating them against this, we'll eliminate this behavior..."

— Dean Hamer (fake)

In 2021, former NEWS anchor, Ryan Hagerty, claimed in the San Francisco Chronicle that he created the video as a fake. But has provided no clear documentation to back his claim. And if it is a hoax, then it certainly does a disinformation, information deficiency and attempt to employ strategic deception to advance political, military, or commercial goals. As reported in 2009, Dean Hamer lectured at Marlboro College about this same subject.

"Well, it turns out at least one gene that's involved in spirituality has been identified," Hamer said. "It's a gene that's involved with what I like about it), it's involving called the Testicular Hormone Transporter number 2."

— Dean Hamer (real)

And in 2004, Hamer published the book, *"The God Gene: How Faith is Hardwired into our Genes,"* where in he argues that a variation in the VMAT2 gene dictates one's openness to *"mystical experiences,"* and is inherited from one's parents.

Not only is this information accurate, but it appears to have been developed. In a recent article by Dr Aristeia Lima, it is shown that this technology has existed for years.

The VMAT2 gene is a protein that carries several vital neurotransmitters to synapses in the brain. It basically controls the central nervous system. Defining it, known as a knockout, would greatly reduce these neurotransmitters creating an endless list of chronic health issues.

VMAT2 deletion is accomplished using the "SLC18A2-DNA-ORF clone" where "cDNA" is "Complementary DNA." Which is used in human cloning and genetically modifying an organism. In 2015, Supreme Court judges ruled that cDNA added to target cells in the human genome, makes a person patent eligible. And there are patents for using this to genetically edit the human DNA and "knock out" a gene. This can easily be done using simple CRISPR technology and is even sold online.

In a 2010 study on mice, VMAT2 gene deletion caused schizophrenia. In a 2003 study it caused Parkinson's disease. In the American Journal of Human Genetics, a study on deleting the VMAT2 induces an "Intellectual Disability Syndrome" in humans. It causes autonomous disorders, cerebral palsy, type 1 diabetes, and several other conditions. The question, as Dr. Lima asks, "How long have pharma and the government been reducing our humanity through VMAT2 knockout?"

VMAT2 deletion also causes borderline, psychiatric disorders, cardiac arthythmia, cancer, and accelerated aging. While it's unlikely that these sadistic mad scientists can out us off from God, they are definitely doing their best to muddle us.

The vascular membrane few people who have faith.
- Who is the dangerous one here ? the one who strive to be a better person or the one abusing and committing grait crueties ?
And that's why we never made the leap into genetic modification. You can't manipulate and destroy the work God has made and is seemingly blessing.

Hamer's work not only forecast accurately that a vaccine-driven dystopian prison regime would arise at this specific historical time, he also said that the coming of the Antichrist was inevitable. It is important to understand that the Antichrist is not a person. The Bible says that there are many Antichrist, the elect will be power. The role of Antichrist is to debase the human mind into materialism as opposed to spirit. This is in fact what has happened and is now being accelerated. The story of the Antichrist is found in the Book of Revelation. It is a book of symbols. The Antichrist is not a symbol in the literal way, but he should realize that there is also a literal component to the Antichrist concept, and their misgivings can be performed easily on susceptible populations. Putting for patents on the super-material is a driving GOF. The way VMAT2 deletion was originally marketed was as a method to quell extremism in the Middle East (which, of course, the Obama regime was all about). Hamer's "God Gene" theory is that the gene is a neurotransmitter which is a radical terror could be facilitated by deliberate GOF gene deletion, and thereby enable remote control of Middle Eastern nations (yes, all those bonds on the regime-change shopping list). This was very much in line with Obama's goals of the "Trilateral Commission and Council on Foreign Relations. But wouldn't really work like the way they fantasized it would? People need to stay connected to God. The Antichrist system will not be able to control people who have faith in God and His affairs. Thinking like that is materialistic science and this is media-mindset propaganda that you consider that humans have 21,000 genes, more than 21,000 and wider flaws have 21,000. Genes are not responsible for behavior, they are responsible for the body. Behavior comes from military subcontractors. Yes, there is an attack on humanity and a war on the human soul, but their tools are a lot cruder than people think. In 1935 a Portuguese neurologist called Egas Moniz invented lobotomy and later received the Nobel Prize. That created a huge industry for lobotomies and severing the prefrontal cortex with a surgical pick. The procedure made patients docile, but it also destroyed their personalities. Moniz's work was the basis for Ken Kesey's rampant McCarthyism by drama and cultural understanding (meaning people like you who want to think for themselves) and that lobotomies "made good American citizens". They are always trying to make us into "good citizens" and "good consumers" and "good workers" and "good soldiers". Hamer's work is the modern insane, shadow of the lobotomy. Narcissistic sociopathic psychopathic control of crap in the chemtrails and dyes. They aim to control the primal gland and to cut off dopamine and basically cut the pathway through the CNS so that humans forget the original diverse source of their power and sovereignty and then can be herded like cattle or recruited into the army. Hamer's work doesn't even behave at the crux, and was the middle finger to mainstream science.

Did Steiner pretended that he didn't know what the Reformers said about the Antichrist/Anti-Christ/Papacy?
In the book of Wesleyan Pastor Logan called "Treatise on Antichrist" written in 1725, used the Reformers to identify the Roman Church as the hated Babylon, and the Papacy as the "man of sin" and antichrist.
Waldensian Reformist Sacristo asserted "that the Roman church is not the church of Jesus Christ, but a church of malignants and that it apostatized under Sylvester—and that the Church of Rome is the harlot or the apocalyptic" (The Testimony of The Reformers, E. Benjamin Randall, 1879, Randall Publishing Company, p. 45)
Michel of Cesena declared the Church of Rome to be the Whore of Babylon.
Michel (1270-1342) who was one of the Franciscan Order of the Catholic Church declared the Pope "to be Antichrist, and the church of Rome to be the whore of Babylon, drunk with the blood of the saints" Three Book of Martyrs, op.cit., p. 440
Wycliffe (John) (1320-1384)
"He (the antichrist) will be revealed and come to taught before the last day, so that every man may prepare himself against his malice and his false teaching. He will be a false man, a son of sin, a thief, a heretic, a false prophet, a false Christ, a false Messiah, and a false Christian. He will be a false clerk, worldly and covetous, a false priest, a false bishop, a false pope, worldly under the form of godliness." (Nicolaus Von Amsdorf, Funnenfeine und gewisse Zeichen, sig.A2r.)
Martin Luther (1483 - 1546)
"nothing else than the kingdom of Babylon and of very Antichrist. For who is the man of sin and the son of perdition, but he who by his teaching and his ordinances increases the sin and perdition of souls in the church, while he yet sits in the church as if he were God? All these things apply to the papacy, which has been fulfilled by the presence of Christ's glory." (Luther's Works, 54:344-47)
"The papacy is now other than the kingdom of Babylon, and the violence of Nimrod the mighty hunter... The papacy is a general chaos led by the Roman bishop to catch and destroy souls." The Babylonian Captivity Of The Church
"If you reject the Pope, you need not be afraid to incur every kind of danger, even to lose your life but it is far better to be rejected as such pests in this and hear to sleep silent. So long as I live I will not cease to attack the Papacy with my pen, as it deserves. For I am sure that those who are with us should fall back like the rest into the brotherhood of Antichrist of the Reformation vol 10 p358
Melvina, a fellow believer being burned to death that the See of Rome is the seat of Satan.
"He was the English Bishop of London, he revived his Master's degree in 1535 from Cambridge University. He was a prolific writer and in many Intellectual discussions on religion probably English Reformer to advocate the removal of images from churches under his jurisdiction.
Bishop Ridley, a fellow believer, before he suffered, he said...
"The See of Rome is the seat of Satan, and the bishop of the same, that maintaineth the abominations thereof, is Antichrist himself Indeed. And for the same causes, this See at this day is the same which St. John calls, in his Revelation, Babylon, or the whore of Babylon, and the bishop thereof, Antichrist, and the number of fornications and abominations of the same is infinite."
p. 455
Again, in his Lamentation for the Change of Religion, he said:
"What city is there in the whole world that, when John wrote, could own the kings of the earth? or what city can be read of, in any time, that, of the city itself, challenged the empire over the kings of the earth but only this city of Rome, and that since the ascription of that see, has longed for the full accomplishment?" (Ibid, p. 45)
Dewey Pegmas (1541 - 1605)
"The Jesuits claim to be sorely offended and hate taken my declarations as an insult and slander against the Roman Church and the Roman Pontiff. But I ask, what is the Roman Pontiff proclaimed? But first is to true as it is that Jesus is the Messiah, and I am prepared to show it even by their own definition of the word 'antichrist'." (Translated from "Regimus, Antichristus Grudilius (Refutacaog' No 3v.)
"This Jesuit further contends that the Papacy cannot be antichrist because the Papacy has not denied Christ openly. But I have already proved that it has done so." (Ibid, 4r) "Now the Jesuits openly hate God (see epistle of 1590 (1874), not least Jesus. The prophetic time periods of forty-two months, 1260 days, 1, 2, 3 1/2 times are prophetic, and according to Ezekiel 4 a day must be taken for a year." (Translated from "Regimus, Antichristo Grudilius Offenbarung" fols. 28v, 29r.)
John Calvin (1509 - 1564)
"I thought it far admittion that Rome was once the mother of all Churches, yet from the time that she began to reign and rage with her tyranny over the world, she has been the See of Satan, wherein Rule as he seems and conscience when we call the Roman Pontiff Antichrist. But those who are of this opinion do not consider that they bring the same charge of pronunciation against all the Churches of the world which are under the Papacy and which are shut. I shall briefly show that that's words in 2 Thess. 2) are not capable of any other interpretation than that which refers them to the Papacy." (Institutes of the Christian Religion, Vol.2, p.1169)
John Knox (1505 - 1572)
Nay, to speak it in plain words, that we submit ourselves to Satan, thinking that we submit ourselves to Jesus Christ, for, as for your Roman see, as it is now corrupted, and the authority thereof, shameth shame the head of your victory, I no more doubt but that it is the proper throne of Satan, and that the Roman Pontiff is the very man of sin, of whom the apostle speaks." (John Knox, The History of the Reformation of Religion in Scotland, p.69)
Thomas Cranmer (1489 - 1556)
"Whereof it followeth Rome to be the seat of Antichrist, and the pope to be very antichrist himself. I could prove the same by many other scriptures, old writers, and stories enough." (Works by Cranmer, vol.1, pp.6-7)
Roger Williams (1603 - 1683)
Pastor Williams spoke of the Pope as "the proclaimed Vicar of Christ on earth, who sits as God in the temple of God, and exalts himself above all that is called God, and who, under the mask and colorableness of all this wonder, you see the Spirit of Christ, over the Holy Spirit, you, and God himself, speaking against the God of heaven, thinking to change times and laws, but he is the son of perdition." (The Hireling's Plea Out of Hallows by Knives, Vol. 3, pg. 52)
The Baptist Confession of Faith (1689)
"The Lord Jesus Christ is the Head of the church, in whom, by the appointment of the Father, all power for the calling and government of the church is invested in a supreme and sovereign manner; neither can the Pope of Rome in any sense be head thereof, but is that antichrist, that man of sin, and son of perdition, that exalteth himself in the church against Christ." (1689 Baptist Confession of Faith)
The Westminster Confession of Faith (1646)
"There is no other head of the Church but the Lord Jesus Christ: nor can the Pope of Rome in any sense be head thereof, but is that Antichrist, that man of sin and son of perdition, that exalteth himself in the Church against Christ, and all that is called God." (1646 Westminster Confession of Faith)
John Wesley (1703 - 1791)
"... In many respects, the Pope has an indisputable claim to those titles. He is, in an emphatical sense, the man of sin, as he increases all manner of sin above measure. And he is the son of perdition, for he is fitly so called from his destiny, being destined to destruction, multitudes, both of his opposers and followers, destroyed innumerable souls, and will himself perish everlastingly. He it is that opposeth himself to the emperor, since his rightful sovereignty and that exalteth himself above all that is called God, or that is worshipped. Commanding angels, and subduing kings under his feet, both of whom are called gods in Scripture. He it is that sitteth in the temple of God, showing himself that he is God. Nay, he styles himself our most Holy God. Indeed he does it implied in his ordinary title, "Most Holy Lord," or "Most Holy Father." So that he sitteth - Enthroned. In the temple of God - Mentioned Rev. xi. 1. Declaring himself that he is God - Claiming the prerogatives which belong to God alone." (John Wesley, Explanatory Notes Upon The New Testament, p.1)

Martin Luther said: "We are not the first who interpreted the Papacy as the kingdom of Antichrist. Joe Lydio Penny (c.1382-62) mighty and truly pronounces the Pope Antichrist, and the Papacy the kingdom of Antichrist, and this is confirm our doctrines" (Martin Luther, Commentarius in Apocalypsim Joannis)
Charles Spurgeon (1834 - 1892)
"It is the favourite duty of every Christian to pray against Antichrist, and as to what Antichrist is to save man ought to make a question. It is be not the popery in the Church of Rome there is nothing in the world that can be called by that name. If there were to be a lesser a had and so for antichrist, we should certainly take up this church on suspicion, and denounce it as the Man of Sin, and the Son of Perdition, and all the rest of the Apocalyptic titles."
Spurgeon's sermon to his Church Calendar, and to the Antichrist, and to the pope is against it. It should be the daily prayer of every believer that Antichrist might be hurled like a millstone into the flood and for Christ, because it sounds Christian, because it sounds Christ of His glory, because it puts sacramental efficacy in the place of His atonement, because it is a false gospel, because it is a gospel by which men are lost and not saved, at the end of the day Christ, and puts a more fallible basis for salvation than the work of Christ on earth, if we are against it, because it is against Him, we shall lose the persons though we hate their errors, we shall lose the souls of men for both and deliver their dogmas, and so the breath of our prayers we bewildered, because we turn our faces against Christ's enemies. (The Sword and the Trowel, 1866, p.1)
Rev. J.J.Ross (1806 - 1892)
"The same line of proof which establishes the Roman Church to be the promised Messiah, conversely applied, establishes that the Roman system is the predicted Apostasy, in the life of Christ are behind the conversion of what the Antichrist must be, and in the Antichrist we have the reverse of the life of Christ. Christ was born of a virgin, the Antichrist is born of a woman. Christ was born of the Seed of the woman, the Antichrist is born of the seed of Satan. On the one hand, that is the perfect harmony between the two, and conquest of Christ as seen in His life, and on the other, that it is the perfect harmony of the Antichrist, as shown in the prophecy of him. We conclude, therefore, that if Jesus of Nazareth be the Christ, the Roman Papacy is the Antichrist." (Rev. J.J.Ross, Exposition of the Prophecy of the Antichrist, A Demonstration I)

The knowledge of Christ can be anything other than itself. Is a true psychopathic destroy with destruction of all on the planet. It cannot be changed, bargained with or reasoned with. It is something that you learn or can learn, it is in the bloodline and its new generation comes out every so many generations. When a person is raised in a perfect environment with love, they can still be born with the psychopathic gene. Jesus is the Son of God, the Holy Father. Those demons were already there present in the DNA of those individuals so it was an easy almost natural thing for them to do what they did. No rehabilitation is going to work here, the killing a male nor fat be a snake is no longer. Cain's blood is like the fallen's blood. It is anti Christ. If a certain percentage of God's on the earth's plane are given over to the fallen, they will be destroyed. Jesus is the only way to be saved from the fallen. Not by worship but by the blood. We are in a spiritual battle between good and that evil as in 'they' try to recruit new people thru music and movies and propaganda of all kinds to make you feel things, think hate thoughts and do things that are not of God. Jesus is the only way to be connected and confirmed experience is saved. So choose well my friends choose well

Revelation 6:8

King James Version

8 And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.

Trust this into perspective.....

There are two kind of Gods...

One is the Divine... the Great Spirit that surrounds us.. the Qi of Nature...

Loving Energy is living Universal...

Then there is our creator race who claim to be God.

These are inter dimensional beings that created us with the purpose of possessing us... as a portal to enter and destroy this dimension.

The God of the Bible is this as is Lucifer or Satan.

They created us for a purpose but we outgrew the purpose and now they want to destroy us for that reason.

There are ALL sorts of evil behind the curtain. Thanks for the list of books, I'll add them to my TBR pile. I've read Brave New World (childhood read) It's 400 pages of small print and very dry reading, in short he stated the only way people will willingly accept a utopia of a prison "thing" is to bring in the drugs (as opposed to reasoning out the wisdom of doing so. Hence: chemical weapons, nuclear weapons, Agent Orange, Gulf War Syndrome, Vietnam, Iraq, Afghanistan, Syria, Israel/Gaza and it's because 'schizophrenia'! It's just an idea unless it is brought into existence. Since Karen, there's been no body of moral or philosophical oversight of industry, politics and police - which is what a University is for and supposed to be. I'm not Roman Catholic but I am a follower of Jesus Christ and the Word of God as put forth in the the scriptures of the Bible. You have a real problem with the pope. He is constantly speaking out AGAINST the Word of God and leading millions of people astray. Why? The Bible reveals it the papacy, is suspect and appears to have globalist, satanist tendencies. For example, treponema pallidum (the syphilis spirochete) has only 22 functioning genes, whereas the Lyme spirochete has 132 functioning genes. Here are the possible combinations representing one gene of one Lyme spirochete.

Whoa, what will these psychopaths come up with next?! I read Dr. Loves piece on this so thanks for the added data Greg. Yep. These fuckers truly believe in "Go big or go home "eh? I spent some time over the past few days discerning what I will do when they roll-out the next vaxx (disease-x or 11) and if enforced as I suspect they may endeavor to do...what will i do? The answer is...under no circumstance will I allow it. This may very well mean living off the land as I have been preparing for for 3 years. The thought of being injected with a toxin that would forever separate me from my soul, from Source and any meaningful connection to others & nature, to me would mean I would become truly a dead man walking., EXACTLY what they want. I am prepared to fight to my demise...Not a fucking chance. I'd rather return to Source than let anyone steal my soul in this lifetime. How about the rest of you? You might want to put some thought to your stance on this matter eh? Greg, again thank you for your courage & hard work, you are an extremely valuable resource & beacon of sanity for us. K

Of course these psychopathic bastards are cutting off our connection to our Divine Creator! They've poisoned our world through our food, air, and water that we humans consume! Ask yourself why??? Our city water supply needs fluoride??? Fluoride is a well-known neurotoxin and this poison is not!! In calcifying the human pineal gland (3rd eye), why is that??? These psychopathic globalists know damn good and well what fluoride does! People stop drinking city water, it's poison! I haven't drank city water in years! I only drink filtered spring water! Get your pineal gland decalcified! I believe that the spice turmeric helps flush fluoride out of the body and helps decalcify the pineal gland! People from India eat curries with plenty of turmeric so ask yourself why?? Indian people know and understand! When you see a person from India with that little dot on their forehead right between the eyebrows or just slightly above the eyebrows is no accident and done "just for the hell of it" because it looks cool! No! That little dot in that location means something, Indians from India know and realize how sacred that area and location is on our bodies! Our pineal gland is our connection to the Divine or our Creator and God, is it any wonder why our city and main water supplies are poisoned with fluoride! The psychopaths knew damn good and well what they are doing! Then THEY tell us "fluoride is good for cavities and needed for strong teeth" so get your children fluoride treatments at the dentist and drink fluoridated water! 😢 Yeah, so the calcification of the pineal gland gets started early in young children because young children are naturally psychic anyway, so "we got to stop that because we can't have any youngsters communicating with any higher power and angelic beings or, god forbid, God the Creator Himself!! 😡" So yeah these fucking evil ass psychopathic globalists know exactly what they are doing in putting fluoride in the water supply! Plain and simple—— fluoride calcifys the human pineal gland (3rd eye) which cuts off our connection to our Divine Creator and the Divine dimension, period! 👉

> Also I forgot to mention toothpaste with fluoride too! Throw that shit in the dumpster and throw it out! Our mouth and gums have a rich blood supply and our gums absorb things quickly! So what better way to get fluoride into the body quicker than via a rich blood supply through the mucus membranes known as the gums in our mouth! Plus that fluoride doesn't have far to get inside the pineal gland either because the pineal gland is located just above the mouth or oral cavity in human beings!😉 So yeah, fluoridated toothpaste will do wonders for calcifying the pineal gland quickly because it will be absorbed very quickly through the gums in the mouth when the "calcifer" brush their teeth with fluoridated toothpaste! "The psychopaths say!😡🤟

After the 10yr. Study of a particular Benzodiazepine which was released to the public by big pharmaceutical to pedal to physicians as an all around panacea for minimal fear seizure and etc. It was found to harden the brain cortex on users who relied upon its intended use on a regular basis and did develope a tendency for habitual' reliance. An unexpected side affect was the inability to (Cry' tears) by many users of this drug as well as presenting with what would be called a (hard) addiction. Now how difficult would it be to edit' a targeted gene and to find a willing or unwary candidate to perform such a test upon as the benzo' test was freely prescribed along with the (public) being an unwitting test Subject. Those bastards love having a barrel of pet fishes for test subjects . . . [Dont Allow]

The supreme court ruling document at 3:14 says that "cDNA is patent eligible". Greg asserted that this ruling makes a "person" patent eligible, "In 2013, Supreme Court judges ruled that cDNA added to target cells in the human genome, makes a person patent eligible."

I do not see that assertion anywhere in the document shown at 3:14, only that the cDNA itself is patent eligible, and from what I do see in that document I would not assume that the person themselves would be patent eligible.

Can someone explain how the cDNA being patent eligible makes a person injected with cDNA patent eligible? That's not a rhetorical question, I genuinely want to know the answer since if it is true it means I am missing something.

Yep, evil has been around for thousands of years. Of course they want the power over Life and death. Yes, they want to be God.

If they could figure out a way to take their wealth with them, they would.

Screw them. Jesus and Trump 2024

We are in the Shift of Ages, a spiritually auspicious time that follows the ending of a Grand Year(26,000 years) The Grand Year ended on Dec 21st 2012. The satanic elite know that human beings are in an evolutionary cycle and will stop at nothing to ensure that the bulk of our species do not evolve into a higher state of conscious awareness. Their mRNA vax carries electromagnetic self assembling antennae that will block the signals of the ascension timeline. This is diabolical! Yor we do not wrestle against flesh and blood but against spiritual wickedness in high places.'

We are in the Shift of Ages...the ascension time line. The satanic elite know this and are determined to block as many human spirits as possible from evolving into a higher state of awareness. Using their mRNA vax with its electromagnetic component, they are making sure that those who received the shot will be locked out of the 'evolution of the life wave' all together. They will be stuck in the reincarnation cycle, life after life in this sacrificial reality. Make no mistake. 'We wrestle not against flesh and blood but against spiritual wickedness in high places.'

There is no way to remove God's people from Him...As all materials, particles of the Universe may be destroyed and that includes the DNA of human beings and all life.

The souls of all human beings are owned by God until the judgment following death when the 'free will' choice of the individual soul will be reallocates ownership to eternity based upon the choices providing substance and meaning to any given soul's life.

Until death; Jesus Christ is always there to choose and God knows when a soul has it's capacity stolen disallowing such choice when attached to particles making up a body.

I think the Bible describes the current state of affairs quite nicely. A seed war is being waged on Earth, the war between the divine bloodline of Adam and the satanic bloodline that existed on Earth before Adam arrived. YHVH tried everything to get his people to protect their God-given DNA (the Mosaic Law/Torah), but humans are dumb-sheep easily led astray, hence the need for Yeshua's blood to heal the humans who carry God's genome and give them eternal life. HOWEVER, the Torah STILL has the ability to heal the divine Adamic genome if we follow it (but of course, we never will). And the principles of Epigenetics confirms it. What does Torah obedience look like? YHWH calls it being HOLY (set apart from the pagans). Sexual purity (only ONE like-minded life partner), kosher foods (no unclean animal flesh), no blood or food sharing with strangers, etc. In other words, PROTECT YOUR BLOOD AND FLESH FROM OUTSIDE CONTAMINATION. PS: At this stage of the game, almost all humans on Earth have co-mingled and carry divine DNA in their genome, so it has nothing to do with race, skin color, ethnicity or religion. However, those who practice sin (transgression of the Torah) on a continuous basis, have almost certainly sinned YHWH's DNA right out of their genome. Which explains why there are so many evil people on Earth.

So is deleting the VMAT2 gene – a part of which appears to be substituting carbon for silicone in the DNA - what makes HUMAN 2.0 or is it actually HUMAN 3.0 that we are now looking at?

Since Prometheus' insertion of Divine God Consciousness into humanity (the fire he stole from Zeus) is long past, I do wonder if humanity is so far away from the great Titan God who created them, that "God" is merely an idea.

I guess the VMAT2 will take care of that.

How does this play into the "soul contract" hypothesis? According to having a "soul contract" one chooses everything they experience in the life they incarnate into, prior to incarnation. So according the the "soul contract," a soul decides to incarnate into this realm to be soul deleting psychopath fodder and willingly exterminate their own soul. Makes perfect sense. Take it to the f'n curb.
