Buy Physical Gold & Silver – for Wealth Preservation & Portfolio Insurance

Matterhorn Asset Management/GoldSwitzerland is the only company in the world offering a precious metals investment service outside the banking system in four locations with direct ownership and private access for investors to their gold and silver.

Our Wealth Preservation Principles:

- Gold/Silver must be stored outside the banking system
- Gold/Silver must be directly owned by the account holder
- Investors must have physical access to their Precious Metals
- Storage must be in a politically stable country
- Eliminate counterparty risk and accept No leverage
- Do not compromise on personal privacy and security

Our Services:

- Buy allocated Gold & Silver bars at Bullion Bank prices.
- Sell Gold and Silver bars at Bullion Bank prices.
- Safe [storage](#) of physical Gold and Silver in ultra secure vaults in Switzerland, Singapore and Hong Kong.
- Ship and store Precious Metals that investors already own.

Gold is real money

Gold has been money for more than 5,000 years. No paper currency has survived throughout history. Gold has maintained [Account Application](#) its purchasing power whilst government deficits and money printing has consistently destroyed the value of paper money.

With most sovereign states as well as the entire global banking system under severe financial stress, wealth preservation today is absolutely crucial. This is why physical gold should be an important part of any portfolio.

For institutional investors this could involve allocating 5-15% of assets into physical gold as insurance and for private investors 25-50% should prove an excellent asset protection investment. GoldSwitzerland's physical Gold & Silver hard asset investment programme is open to: [Institutional Investors](#), [Private Individuals](#), [Hedge Funds](#), [Family Offices](#), [Companies](#), [Trusts](#) and [Pension Funds](#).
