
The Blood Libel — A Real-Life Satanic Conspiracy?

Posted on October 27, 2010 by **INCOG MAN**

THERE'S A FASCINATING video snippet from an Oprah Winfrey show dated May 1, 1989 (ironically Commie Day), called “Mexican Satanic Cult Murders,” where the über-uppity, rotund black host had on a most curious guest, under disguise and going by the pseudonym “Rachel.”

Now, people will say that this woman was out of her mind, and she may have been to some extent (watch video below and judge for yourself), yet they use that as an excuse to throw everything out, like it was all nothing but crazy talk. However, here's the thing: She could indeed have had problems and still told the truth. In other words, her mental issues stemmed from actual childhood events, which would not be the least surprising, considering.

Oprah introduces her to the audience: “As a child my next guest was also used in worshiping the devil, participated in human sacrifice rituals and cannibalism.” Oprah adds, “she is currently in extensive therapy, suffers from multiple personality disorder, meaning she's blocked out many of the terrifying and painful memories of her childhood. Meet Rachel, who's in disguise to protect her identity.”

Oprah goes on: “Rachel said she witnessed the ritual sacrifice of children, as well as being abused herself.” Rachel replies: “I was born into a family that believes in this.” Oprah naïvely asks: “And this is a — does everyone else think it's a *nice Jewish family*? From the outside, you appear to be a nice Jewish girl... and you are all worshiping the devil inside the home?”

“Right,” says Rachel. She then blurts out something really mind-blowing: *“There’s other Jewish families across the country. It’s not just my own family.”*

Get that: Other Jewish families across the country — a network of evil Jews involved in this kind of thing. What kind of detail like that comes from out of the blue? She also mentions a Kabbalistic book called “Lilith’s Cave,” that I once found a copy of in my local library (may have been a different version). As I recall, the book was filled with convoluted Jewy hocus-pocus and silly demonic allusions that made little sense.

Oprah goes on: “Really? And so who knows about it? Lots of people now...” Ha ha ha. Rachel starts to explain: *“Um, I talked to police detective in the Chicago area...”*

Unfortunately, Oprah interrupts at this moment and asks: “So when you were brought up in this evilness, did you just think it was normal?”

Watch this video NOW!

Watch it yourself and you be the judge. Video may get soon get deleted by ADL Jews (the censoring Jews do it all the time — note the poor generation copy). If so, do a search and you should be able to find it somewhere, but please let me know.

Too bad Oprah didn’t pursue what Rachel learned from the police detective, since there was once an incident of suspected “Blood Libel” in the Chicago area way back in 1955 and early 1956, a series of grisly killings still carefully ignored by the media to this day. “Rachel” may even have been referring to a police detective familiar with this very case.

The Jews have such a powerful presence in the Windy City that they vie with New York as capital of American Jewdom. Gangsters like Al “Scarface” Capone and Sam Giancana never came close to the power of Jewry, especially not in the media control Jewry has long had (just think about how much they get away with smearing Italians on TV and film).*

Let’s also remember that Obama’s rapid rise to the presidency was at the

behest of the hugely rich Chicago Jew machine, Jews like billionaire Penny Pritzker and scores of others who, no matter what the right-winger Zionist Jews want to say, are to blame for putting Obama in office.

When Oprah merely mentions that “Rachel” came from a Jewish family, this alone put her dangerously close to losing her career (think about that for a minute). Like always, psycho Jews wanted to do what they did recently to White House correspondent Helen Thomas and CNN’s Rick Sanchez — ruin her for daring to mention these precious unmentionables.

Muslim-hating Neocon Jews, like stuck-up radio host Debbie Schlussel, claim Oprah made no apology, but she most certainly did to powerful backroom Jews all over the place. Truth is, Oprah had no idea at the time of what kind of bee’s nest she knocked over with these vengeful people, who never forget or forgive.

In fact, if it wasn’t for her immediate and utter groveling to the Chicago Jewish establishment, Oprah’s name would be a forgotten footnote to the Reagan years. When the powerful Chicago Jew Judge Marovitz died in 2001, Oprah was asked why she attended his memorial. She said he was “a dear friend who helped her out when she most needed him,” but when asked how, Oprah smartly replied “I’m not saying.”

Undoubtedly, because of all the help from Chicago Jews to keep her TV career, Oprah always touts holocaust crap, like doing shows from Auschwitz with Elie Wiesel in tow, selling holocaust books and documentaries, no matter how scurrilous the author.

Getting back to the Chicago 1955 case: Between October and January of 1956, a total of 5 White children — 2 brothers, a friend and followed soon by 2 sisters, were abducted and murdered in a ritualistic fashion. The murder victims were John and Anton Schuessler, Jr., Robert Peterson, Barbara and Patricia Grimes.

Newspaper clipping from the time.

They had been kept alive for some time after being abducted. Their dead bodies were naked, ligature marks suggested they had been bound by wrists and held in confinement before being bleed out by small cuts and puncture wounds. Weakened to the point of death, they may have been thrown into an outdoor cage where exposure from freezing Chicago weather finished them off.

14 year-old Bobby Peterson appears to had fought hard for his life. He was beaten about the head with a blunt object and strangled unconscious by someone with long claw-like fingernails that left deep scratches on his throat.

Marks on one body matched

up with the floor mats of a luxury Packard automobile, so the killer or killers may have been well-to-do.

The two little girls have been described as being sadistically tortured, repeatedly punctured with a sharp pointed object like an ice pick, or leather owl in the upper torso, thighs and buttocks. This may have been part of the blood collecting process.

At least one of the girls had ice pick-like punctures, both had been frozen to death and dumped naked next to a road. The older one also may have been raped.

The two boys appear to have been nailed through the hands and feet, just like Jesus suffered on the cross. They also had some kind of horrible injuries to the mouth and eyes, in a manner still never publicly revealed. Both body dumps had enough similarities to ascribe to one killer or group of killers.

Most tellingly, the wounds on the boys were found to contain an unspecified grain, possibly wheat. People have speculated that had to do with making Jewish unleavened bread dishes like “Matsos,” or the favorite of Purim called “Haman’s Ears,” using fresh Goyim blood as an ingredient.

At the time, there was intense public interest in the case. Because of all these strange details, the Chicago Sun-Times simply wrote that a “religious cult” might be involved. but within 10 minutes of the paper’s release, trucks were hurriedly sent out across the city to bring the edition back in; copies were ripped off news stands and returned to the Sun-Time’s building where they were burned. Copies did survive.

The father of the two Schuessler boys managed to read a copy and became rightfully incensed; he demanded the cops investigate the new angle. Instead, the Cook County head Sheriff, a Jew named Joseph Lohman, turned it all around and told him he was under suspicion (typical Jew tactic). He immediately dispatched a Jewish deputy named Horowitz and some police thugs to ransack Mr. Schuessler’s home looking for “evidence.”

Lohman put the grieving family under house arrest and forbade them from talking to anyone about the case. The Jewish sheriff also appointed another member of the Tribe to investigate the murders, a Jew named Harry Gloss. Two Irish city detectives, Lieutenants James Lynch and James McMahon, angrily complained that the Cook County investigators destroyed evidence, threatened witnesses, and worked to impede their investigation at every turn.

Even after passing a lie detector test and having a firm alibi, the father of the two boys was harassed non-stop by the Jew police. Then they forced Schuessler into a Sanitarium run by an evil little Jew named Dr.

Leon Steinfeld, where the father died on the same day. The “good” doctor claimed the 42 year-old suffered from a natural heart attack, but it was soon revealed the man was tortured with electro-shock “therapy” the very afternoon he arrived!

The coroner for Cook County, another Irishman named Dr. Thomas McCarron, rightfully called Steinfeld a charlatan and murderer, turning over documents to the District Attorney. A few nights later a bomb blew off the door to McCarron’s house to intimidate him and the DA ordered him to stay silent. Although an inquest was made, nothing came of it, other than Dr. Steinfeld having to leave the country, where he was soon found hanging in a hotel bathroom, allegedly a suicide.

As a side note, during WWII, this same Dr. Steinfeld was convicted of giving medical help to Jew boys so they could avoid the draft by scamming Army doctors with temporarily conjured-up medical conditions, like heart palpitations and skin rashes to avoid serving at the front. Typical Jews! And the evil doctor still managed to keep his license and become a Sanitarium director, obviously.

The whole affair so unnerved the Chicago Jewish community that a Jewish newspaper man took up a collection and presented \$100,000 (about 2 million today) to what was left of the poor Schuessler family so they would shut the hell up.

The Beilis Case

The creepy-looking Jew Menahem Mendel Beilis (A) was the focus of a 1911 Kiev, Russia case that had International Jews hopping mad everywhere.

The young victim, Andrey Yushinsky, was found sitting straight up dead in a cave (B), drained white of blood (C), and with numerous punctures exactly where blood-letting would be most effective (D). The Jew media went into hyperdrive, accusing every non-Jew they could. When the Jews gained power as Bolsheviks in 1917, they executed many involved in the case, including the Judge and Father Justin Pranaitis (E). To this day, Jews insist the woman Vera Chenberyak (F) was behind the killing, even though they have no evidence. A relative of Beilis from New York named Schneerson was visiting at the time of the murder — could he be related to the Goyim-hating Chabadist Rabbi Menachem Mendel Schneerson (G), who was even once proclaimed “Messiah” by the orthodox Jews and honored by President Reagan?

The 1955/56 Chicago murders are certainly not the only case with details such as this. There was the famous Mendel Beilis case in 1911 Russia, before the 1917 Bolshevik revolution (a Jewish Coup D’Etat, actually). Jews immediately went into overdrive, and Jewish newspapers publicly cast suspicions on a relative of the victim’s mother, saying she ran a criminal conspiracy responsible for killing the boy.

The boy’s body was found in a small cave (Lilith’s?) that witnesses saw Beilis, superintendent of a nearby brick factory, leaving. The factory was discovered to contain a secret Jewish synagogue and hospice, along with possible evidence of the crime. Two children witnesses were silenced forever with poison. The police arrested the mother and refused to allow her to attend her own son’s burial, while a rich Jew lawyer tried vainly to bribe her into silence.

Even though Beilis was eventually acquitted by an all Christian jury, this was not enough for vengeful Jews. When the Jew Bolsheviks took power in 1917, they threw the mother back in jail to rot and Lenin ordered the CHEKA secret police to summarily execute the judge, chief prosecutor, numerous witnesses and the Roman Catholic priest author of The Talmud Unmasked, a book that exposed the outright hate Christian language contained in the Jewish Talmud. As usual, the guy is still branded as “anti-Semitic” to this day.

Whether Beilis was innocent or not, manipulative Jews at places like Kikepidia cleverly leave out the part where all these people in the case were brutally executed by the commies. Once Jews assume dictatorial power they soon turn to racial blood vengeance against Gentiles, no matter what. These self-centered and spiteful people don’t care!

Using the Beilis case as an excuse (but really because of long-running Jewish plans to topple Christian Russia), Jewry forced the unwilling President Taft to punish the Czar by revoking important trade treaties. After he finally acceded to their continual demands and backroom political threats, Taft was awarded a stupid B’nai B’rith Friendship Medal, and is seen in the official photo unsmiling as the bossy little Jews pin it on his chest.

The Beilis case also involved a man named Schneerson from New York who just happened to be visiting Mendel Beilis at the time of the killing. Beilis was most likely tasked at getting rid of the body used in honor of this one visit. Beilis and his “poor, oppressed” Jew family eventually ended-up in the US, undoubtedly set for life.

Curiously, the visiting man also had the same last name as the Chabadist-Lubavitch “Rebbe,” Menachem Mendel Schneerson, once called the Jewish “Messiah.” This modern day Hasidic cult was (and is still is) hugely powerful — enough to make President Ronald Reagan sign an executive order that a Spring day chosen by the Chosen would henceforth be known as “Education

Day” in this Jew’s honor (official US commemorative medallion on the right).

Most non-Jews have never even heard of the old Goyim-hating geezer.

Further, NWO string-puller, Senator Richard Gephardt spearheaded a law in 1991

proclaiming America to be founded on the Jewish Noahide laws. Bet you didn’t know that one, either!

This “Blood Libel” business has gone back centuries. Could an ancient sacrificial ritual have survived in hidden form from the days of Abraham and the Old Testament? Has “PC” and American racial stupidity acted to blind us to a sinister cult operating under our very noses?

There’s been maybe hundreds of cases down through-out the centuries, all the crime details very much like one another (too much for one article). You could go [HERE](#) for much more. There’s far too many well-documented cases

to simply blow off because of “ignorance” and “superstition” from the unwashed Goyim masses.

A few examples: In 1380, Germans in the principality of Swabia caught Jews in the very act of killing a child kidnapped from his parents. Another famous case was the murder of a young boy in England, so heart-breaking and thoroughly documented that the Catholic Church granted him sainthood (St. Simon of Trent). I’m sure the Jews loved that.

Workers demolishing a old synagogue in the lower East Side of Manhattan came across a human skeleton of a young girl in the basement’s coal bin (newspaper clipping on the right). Who the poor girl was or her killer has never been known.

A Long-Lost Skeleton In a Synagogue Cellar

A dark — or, in any case, bizarre — chapter in the otherwise venerable history of the Eldridge Street Synagogue on the Lower East Side was reopened yesterday when a long-lost skull rolled out from a coal-ash pile and struck the foot of a workman.

Soon, an entire skeleton was in view. After inspection by a medical examiner, the bones were taken to the Fifth Precinct station house. The official word from the police was that they could not identify the body or determine its sex. It had apparently been in the cellar more than 30 years.

The unofficial word, according to Betty Sandler, administrative director of the Eldridge Street Project, was that “it might be a young girl, in her late teens or early 20’s, which would make for an unsavory story.”

Workers are excavating the cellar of the 102-year-old synagogue, between Canal and Division Streets, in the first phase of its restoration.

Not the faintest rumor or oldest lore explains the skeleton. Judge Paul P. E. Bookson of Civil Court, who has worshiped at the synagogue for three decades, said he had “absolutely no information, no inkling” as to who it might be or how it came to be there.

Ariel Toafler, the son of the Chief Rabbi of Rome and imminent professor of history in Israel, authored a book he called “Blood Passover.” In it, he fully documented this Jewish ritual actually occurring in medieval Italy. He did his research directly from old synagogue tracts written at the time. The book was so believable and damning, that Global Jewry and the ADL went totally ballistic and demanded it taken off the shelves and destroyed.

But not before enough copies were bought, thankfully. Today it’s possible to read an English translation online. Go [HERE](#) to read. The more you look into this “Blood Libel” business, the more you will see that it’s not all crazy. Beside Toafler, numerous Jews who converted to Christianity over the years have admitted all this is true.

Is the “Blood Libel” Still Going On?

Nationwide, every year, several thousand children go missing. Almost all are found alive, usually some unstable parent is responsible for kidnapping a child, or possibly a husband screwed-over by a liberal judge (males are often discriminated against in divorce court).

But somewhere around 115 to 150 children really do disappear into thin air — never to be seen alive again. Some might eventually be discovered dead at the hands of a twisted pedophile killer — be it a White, black, Asian or Hispanic. But we almost always only hear of the White perv killers in the national news. In fact, several black serial killers in the past have purposefully targeted White children to satisfy their sickness, plus get back at hated whitey.

The real question here is how many Gentile children get abducted, drugged and find themselves waking up in the clutches of some freaky Jew and/or Satanic cult; suffer through a painful and horrifying ritual

death; their innocent child bodies then chopped to hamburger in special non-Kosher meat packing plants — instead of dumped on the side of the road like a sack of garbage as the cult once did?

And could International Jewry's New World Order power be the end result of Satanic forces for real? Imagine evil Beezlebub needing a human force on earth to do his bidding — who better to enlist but Khazar Jewry?

In fact, it may not be Jewry ultimately responsible for all the evil in the world. Sure, most of them are general purpose pompous asses and the holocaust is a bunch of crap, but let's say a secret Satanic network is buried deep within Jewry and is the real driving force to the NWO, corruption and the moral degradation of human cultures?

This Satanic system would work perfectly, continually feeding hell more damned souls while, at the same time, whittling down and destroying the Christian church.

Should you not be the religious type, consider this: What if the deep-seated hatred and jealousy of Gentiles so manifested by Jewry has somehow joined up with an age-old child sacrifice ritual, perhaps the worship of Molech (a demonic god of early tribes in the eastern Mediterranean region)? And virtually all of the Jewish population knows next-to-nothing about this embedded and deeply secretive cult, which only comprises a few hundred to a few thousand outwardly Jewish members.

To protect themselves, they don't all meet together in sinister robed conclaves like in the movies, but carry out their evil Satanic rites within small family groups loosely and secretly affiliated with each other. It would be just like underground cell tactics in revolutionary movements; acting to insulate the over-all group from discovery and allowing them to quickly cauterize any police busts to save the rest — so much the easier since the media won't touch the subject with a 10 foot pole.

They have gained so much financial and political power over the last hundred years or so by JEWdicious use of blackmail, corruption, selected assassination and vote tampering — all the while cloaked from the public by PC politics — that they are on the verge of success for their evil Global Agenda.

Returning to the brouhaha over Oprah's 1989 "Mexican Satanic Cult Murder" show, is it possible that rich Jews involved with the real-life "Blood Libel" cleverly decided to use Oprah, like they were merely trying to help her out? Why not use the outrage of little Jews to roast her for a time, then come forward as her savior? That way Oprah would surely push even more "PC" Jewish propaganda, further protecting their satanic conspiracy from discovery down the road.

Folks, the problem with Jewry might be a hidden evil, so vile, so hellish and demonic, that those of us who work to alert people around us and dare to fight back are really fighting for God and/or goodness itself. Think about that one!

And sure, I may be speculating a bit here (OK, maybe a lot), yet I may have gotten something right. If I soon turn up dead in a lonely roadside ditch — my stark white naked corpse drained of all blood, twisted into horrible contortions by weather and rigor mortis, riddled with bloody ice pick punctures and my head bashed-in — then you'll know the evil bastards caught up with me, but I went down swinging!

— Phillip Marlowe

** To visualize the power of Jewry scrambling your brain, simply compare this 1955 case of 5 White children murdered in Chicago with the Mississippi lynching of a "poor innocent" Negro, Emmet Till, in the same year. Just ask yourself which case have you heard the most about?*

The other day I went to my neices wedding. It was a lovely day until a predator drone unleashed a missile that killed 17 of the guests, maimed another 34, and traumatised forever everyone who was unfortunate enough to live.

Oh, and Uncle Ahmed lost his new camera.

Just another day!

"And look out for your elders, too. Do not let your old parents/grandparents die in some old people's home: hold their hands when they fear stepping over the threshold. The most discusting for me in America-but maybe it is a false perception of films-is that in America there is no respect for old age and for old people." — warrior.hun

This is definitely a Jewish trend. If you go to a place where there are a lot of Jews, NYC, e.g., you can't help but notice how many Jewish nursing homes there are. I don't mean nursing homes owned by Jews, I mean institutions for warehousing discarded, elderly Jews. When you've known many Jews, you eventually realize that more than half of them are estranged from their parents, children, or other members of their family. And now we've finally caught up with them, myself included. This is what's meant by "we're all Jews now."

This force that the Jews seem to serve and seems to protect them from prosecution from the people they persecute, it does sometimes have an uncanny quality to it. It's been called the demiurge, and Jean Raspail calls it The Beast in his excellent book, The Camp of the Saints. I've surmised that the Jews' long awaited — but never occurring — comeuppance is proof that karma does not exist. It could only have been invented by Aryans back in Vedic India; the sense of fairness that other races, not just Jews, have always expressed dismay and contempt for. In Whites it is innate, without a doubt. Animal rights orgs, this sinister Green movement which is ushering in a new age of "carbon footprint" taxes on every single jogbuk-quid-euro you spend... You think non-whites fill the ranks of these sentimental traps?

GTRman, I became aware of dark forces a few years before I became aware of the Jew agenda. These dark forces are not born of woman. Some people call them Satan, devil, demons, evil spirits, etc. I have had and still have personal experiences with demons who for a time reeked havoc on my personal life. They know us all well and use our weaknesses against us to seduce us. They absolutely love to instill fear in us so that we remain obedient slaves to the Jewish agenda like terrorism, which in turn will only lead to our freedom been taken away. Once I learned about the Jew I saw the striking similarities between dark forces and Jews and how the Jew is the tool of the dark to enslave mankind. The rabbit hole indeed goes deep but at the same time it is very simple. Turn away from Jew propaganda. The more we free ourselves from fear and physical sense addictions the more our true Spiritual nature blossoms and the Jew cannot control or censor that.

RE: Julian Lee’s musings on the Jewish hive-mind:

I’ve spent far more time around them than I care to remember, and I am dead certain that Jewish individuality is as two dimensional and superficial as a sheet of paper. Someone I know said it best, “They are the Borg, from Star Trek.” They are truly just many cells of one organism, just let them feel the least bit threatened, and they revert to the Jew script in their DNA. And it is genetic, they don’t learn this, Jewish babies cry more when they’re held by goyim, some study revealed.

Octo, with the names, it is not always so but often perhaps -deutsch- isn't so common for family names of real Germans I think but don't know, towns or pubs of course have that -deutsch- often, jews often have acquired the name of a German town but not exclusive for them, since nobility, princes may have names according to castles and so. – -reich- has here in jewish names the meaning of -rich (while Reich otherwise means kingdom)- often gold, rubin and so on are used.

GDL, that about dark forces is interesting, I think that with everyday self-discipline and being honest to oneself, one will avoid being trapped by the Jewish -if you trace them back they're often lied by them- (e.g. Frankfurt school-psychology)- lies and blackmailing and bribing influence in the media.

Arnold Leese has documented jewish ritual murders extensively in his book, My Irrelevant Defense. He examines the details of many murders committed in such fashion between the years 1144 and 1935, which was near the time that his book was published. I remember having read an account by Leese where the markings on the body of the English child victim were similar in fashion to the markings as described in Incogman's account in the Bellis case, illustrated in photos C and D. It may be within this book, but I haven't had the time to review it again in detail. Leese's works are definitely must reads in order to understand that these accounts of jewish ritual murders and the ceremonies which accompany them are based on truth and are not fanciful imaginings from a TV scripting.

"1882. The Tisza Eszlar Case in Hungary.

This is a nineteenth century case, where the prisoners had duly confessed, and where, after long drawn out proceedings, they were all acquitted as the result of the Organised Power of Jewish Money.

Esther Solymosi, 14 years old, disappeared on 1st April; the five-year-old son of the Jewish sexton told some women that his mother had enticed the girl into their house, whence she had been slipped by some Jews into the synagogue premises. This report came to the ears of Mrs. Solymosi, Esther's mother, who immediately reported to the police. An enquiry was set on foot, on 19th May, under Dr. Josef Bary, and it is largely from a book written 50 years later by Dr. Bary, who became President of the Supreme Court of Justice in Hungary, that the facts of the enquiry have come to light. This book is of over 600 pages, and is called A tiszaeszlari bunper (The Tisza Eszlar Murder Trial). These facts can also be checked from the diary of the Hungarian Minister for Justice of the period, Theodor Pauler, which diary had been kept in the Hungarian National Museum.

Another son of the Jewish sexton was Maurice Scharf, aged 14. He admitted that he had seen through the keyhole of the synagogue door that Esther had been murdered by certain Jews and bled white, her blood being collected in a vase. It

was found by ocular view on the spot that the place where these events were said to have occurred was actually in sight to anyone looking through the keyhole. Witnesses also said they had heard cries from the synagogue on the day when the girl was first missing.

To test the veracity of the 14-year-old Maurice, the Judge told him that his tale could not be true as Esther was alive; the boy replied that “no one could be alive after being cut on the neck like that.”

A number of Jews were arrested, and confessed that they had taken part in the ritual murder of Esther to get her blood for the Passover.

One would think that there would be little more to report.

But no! All Israel got to work with its Money Power, and the Press of every country in Europe was employed to throw calumny on the Hungarian Court and on Hungarian Justice. The Public Prosecutors were bribed and set to work to discredit the honourable Judge who presided over the Court. No stone was left unturned, no filthy corrupting action left untried, to defeat the course of justice; and the Jews won. Here are some of the minor methods by which the Jews with their money tried to confuse the issue:

1. By paying the debts of, or bribing the officials.
2. By offering Esther's mother a bribe to say that her daughter was alive and in a situation elsewhere. This was done by the Jew Reizsmann.
3. By trying to steal the Court records from the house of the Judge.
4. By altering the synagogue lock, so that it was no longer possible to see the place of the murder by looking through the keyhole.
5. By spreading reports that Esther had run away; or had been drowned. The Examining Judge caused the river to be dragged without result.
6. By arranging that a corpse should turn up and be “identified” as Esther's. On 18th June, a girl's body dressed in Esther's clothes, which were far too small for the purpose, was drawn out of the River Theiss by Jewish raftsmen. The mother denied that the corpse was Esther's although she recognised Esther's clothes. A committee of experts examined the body, and found that the hair and eyebrows had been shaved off, obviously to conceal identity. They also found that the body was that of a girl 18 years old (Esther was only 14) and that death was due not to drowning but to tuberculosis. It became so obvious that the body had been “found” for a purpose, that the Jewish raftsmen were interrogated; and they confessed that the corpse had been taken over by them from a Jew called Herschko, that it had been dressed in Esther's clothes, put in the river, and then “discovered” and landed.

It was found also that the body could not have been in the water over four days; that death could not have taken place more than 10 days previously. Esther had been missing for 78 days.

However, in spite of all this exposure of corruption, the Court found itself, as it were, an isolated unit in a hostile Europe; and the Jews were all acquitted!

Then it was found that on 21st July, 1883, Baron Bela Orczy, the Hungarian Minister, had visited Minister for Justice Pauler and had told him that Goldschmidt, the Budapest representative of Rothschild's, had demanded that the charges be withdrawn! At this time, debt-conversion was a serious matter for Hungary, and chiefly depended on the Rothschild Money Power. Later, Baron Orczy told Pauler that Goldschmidt actually demanded that the two Public

Prosecutors who had made condemnation of the prisoners impossible should be decorated!

The sort of thing that had been “worked” against all the evidence may be explained by giving one example: In November, 1882, a new Committee of Experts was formed to make a further examination of the body found in the river five months before, and this committee declared that the findings of the former committee had no scientific basis, that the body was Esther’s and that as the throat was not cut, it could not have been a case of ritual murder!

So ends a dismal tale of the foulest Jewish trickery to enable a few miserable degenerates to escape from well-merited punishment.

1891. Xanten, Prussia. A five-year-old boy called Hegmann was murdered, his throat cut and the body bloodless. “The Government did all in its power to suppress the rumour” of ritual murder (Jewish Encyclopædia, Vol. I, p. 645). The doctor who examined the body said (29th June) that: “The trace of blood appears as an after-bleeding.” On 9th July, he retracted this and explained that his mistake was due to it being dark at the time of his examination! I think by this time the reader will guess what happened between 29th June and 9th July to his banking account. The Minister of Justice, de Schelling, was a Jew. The accused Jewish ritual slaughterer, who had been arrested, was acquitted.”

As to the Catholic position regarding the Jewish barbarians, Leese provides this as only one account:

” The Jews say that the Popes Innocent IV, Gregory X, Martin V, Nicholas V, Paul III, Clement XII and Clement XIV have all expressed disbelief in the Ritual Murder practice of Jews.

Let us first take the case of Innocent IV, who has issued Bulls about the matter on 28th May and 5th July, 1247, and again on 25th September, 1253. Now the first of these simply demands that no action should be taken against Jews on a Ritual Murder charge unless they have been tried and found guilty; the Bull of 1253 defended the Jews against the charge of Ritual Murder because the Old Testament did not sanction that practice!

But the views of Innocent IV are dealt with in the Catholic Bulletin, Dublin, August, 1916, pp. 435-8, from which I shall quote. The late Lord Rothschild was greatly perturbed about a Ritual Murder trial which was going on at Kiev in 1913, and which we describe fully in this book (see p. 32). He wrote a letter to Cardinal Merry del Val, asking him to state whether the Bull of Innocent IV dated 5th July, 1247, was authentic; Lord Rothschild said that this Bull declared that Ritual Murder was “an unfounded and perfidious invention.” When the Cardinal replied that the letter was authentic, this was taken to mean that Innocent IV had denied the existence of ritual murder by Jews! But note that no such statement as Baron Rothschild imputed to Innocent IV was contained in the Bull!

Let the Catholic Bulletin deal with the matter in its own words:

“The document [the Bull] consists of two parts, one part sums up the case as presented by the Jews themselves. The Pope states that he has received a complaint that the Jews are being oppressed and pillaged by both ecclesiastical and secular princes, that they are being cast into prison, and even put to death, without trial or confession of guilt, that they are being falsely accused of ritual crime which they assert is manifestly opposed to their law, namely the Divine Scriptures. The second part, which alone expresses the Pope’s mind, is as follows: ‘not wishing, therefore, that the said Jews be unjustly harassed, whose conversion God expects in his mercy . . . we wish that you should show yourselves benign and favourable towards them. Restore to their proper state those of the mentioned matters that you find to have been rashly attempted by the said Nobles against the

Jews, and do not permit that in the future they should be for those or similar pretexts unjustly molested by anyone.'

"Jews must consider Christians to be very uncritical and gullible if they think they can be induced to accept this document as a papal declaration that ritual crime does not exist. It is obvious that the Sovereign Pontiff merely gives instructions according to general principles, ordering that the Jews should not be unjustly oppressed or molested. He makes no pronouncement whatever regarding the truth or falsehood of the specific charges. Naturally, he must leave the decision regarding this point to the judgment of the bishops to whom he writes. Least of all was he likely to be impressed by the sophistry that ritual crime could not exist among the Jews because it was forbidden in the sacred Scriptures. None could know better than he that it was not the teaching of the Scriptures, but the infamous teachings of the Talmud that caused people to look upon Jews as a grave danger to society. Only three years before the appearance of his letter, namely in 1244, he showed plainly what he thought of the Talmud by pressing Louis IX to collect from his subjects all the copies he could obtain and consign them to the flames."

Before leaving Innocent IV, I ask the reader to realise the typical Jewish cunning exhibited by Rothschild in exploiting the answer of Cardinal del Val regarding the authenticity of the letter as confirming an interpretation of that letter's contents by Rothschild! How Jewish!"

Jewish Ritual Murders

There are thousands of White, Black, Mexican and Asian children missing every year in America and in the other Christian Nations of the Western World. Do you know where many of them go?

Many of them are shipped to foreign countries to be turned into prostitutes by the jews and many of them are killed, their blood drained, and the blood is shipped to New York City, Chicago, Los Angeles, London, Paris, and especially the Zionist state known as Israel.

Their blood is dried into a powder and then used in making their Haman cakes and cookies; some of the blood is mixed with wine and drank at other Jewish religious rituals.

This is why the jews have been run out of almost every country in Europe at one time or another. And they were brought back, not because the people wanted them, but because the rulers wanted them to collect taxes, among other things.

The Jewish Encyclopedia, Vol. VIII, page 653, published in 1904, says,

"The fact, therefore, now generally accepted by critical scholars, is that in the last days of the kingdom, human sacrifices were offered to Yhwh (Yahu, or Jehovah), as King of Counselor of the Nation, and that the Prophets disapproved of it."

Yahu also is interchangeable with Baal, the Golden Idol, and Satan, who is thought to have been a minor god of the Jews, and an instrument of Baal. The two themes of Jewish history are blood and gold, and every practice of the Jews is inextricably bound up with these two factors.

One expose of the subject of Ritual Murder was written in great detail by Arnold S. Leese, entitled *My Irrelevant Defense on Jewish Ritual Murder*, London, 1938. Addressing the issue of sacrifices, Mr. Leese states:

“Let a Jew speak for us here: ‘Bernard Lazare, a Jew who was stated (Jewish Encyclopedia, 1904, Vol. VII, p. 650) to be ‘without any religious convictions.’ wrote what he himself described as ‘an impartial study of the history and sociology of the Jews.’ calling his book *L’Antisemitisme*; in the 1904 edition of this, Vol. II, p. 215, he writes, after mentioning the accusations against the Jews of Ritual Murder: ‘To this general belief are added the suspicions, often justified, against the Jews addicted to magical practices. Actually, in the Middle Ages, the Jew was considered by the people as the magician par excellence; one finds many formulae of exorcism in the Talmud, and the Talmudic and Cabalistic demonology is very complicated. Now one knows the position that blood always occupies in the operations of sorcery. In Chaldean magic it had a very great importance...Now, it is very probable, EVEN CERTAIN THAT JEWISH MAGICIANS SACRIFICED CHILDREN; hence the origin of the legend of ritual sacrifice.’”

Murders of Christian children by the Jews usually occur during the important feast-days, Purim, one month before Easter, and Passover, at Easter. Jewish law prescribes that the gentile victim at Purim, a Jewish holiday as the Jewish victory over the gentiles, may be an adult.

Also if no gentile victim can be obtained, dried blood from a previous victim may be used. However, a Jewish law is quite specific that the victim at Passover must be a White Child (as the Whites are the True Israelites, and the Jews know it) under seven years of age, who must be bled white, crowned with thorns, tortured, beaten, stabbed, and finally given the last blow by being wounded in the side, the dagger prescribed to be in the hands of a rabbi, in a complete re-enactment of the crucifixion of Christ.

This vindictive ceremony reassures the Jews that even if a few of the gentiles are alerted to the nature of this people, as Christ talked against them, the Jews will always win out by murdering the critic. Consequently, many critics of the Jews are slain in these terrible ceremonies.

In the United States, perhaps the most famous victim of Jewish ritual murder was the son of Charles Lindbergh, on March 1, 1932, during the time of the annual Jewish celebration. Lindbergh’s son was chosen because Lindbergh himself was the most logical person to lead the gentiles against the Jews.

His son was slain as a warning to him to decline this service. Lindbergh’s father, a Congressman, had led the fight against Paul Warburg of Kuhn, Loeb Co., when Warburg succeeded in getting a subservient Congress to pass the Federal Reserve Act.

“The Young Ones. Written by jew Ben Elton and jew Lise Mayer. I sound like Akira” — GTRman

Think of the time Akira, and now, you, could have saved all of us by tut-tutting people for enjoying films and tv not written and produced by Jews (writers and producers mainly determining the content).

I am absolutely certain Lindberg’s son was kidnapped and murdered by Jews as a warning to not run for the presidency, which he would have handily won.

“You have not begun to appreciate the real depth of our guilt...The Gentiles, we see with relief, will never know the real blackness of our crimes...” — Marcus Eli Ravage

Even Kaminski realized, albeit briefly, that the only solution is “no Jewish DNA on the planet.” Then he went back to ‘we can all live as shiny, happy people holding hands if only we can stop the Jews from turning one race against another.’ OK, that last bit is a paraphrase, not a quote. My point is one thing Jews and Whites have in common is that we are both hated minorities around the world. One thing that separates us is that Whites are always philosophizing, wondering why people do things, why don’t nogs act like dark colored White people? Why don’t Jews leave well enough alone, when they’re at their apex of power? Jews, Mexs, Chinese, Japanese, Koreans, etc., don’t spend one second assuaging guilt by giving away technology, land, females and resources. They don’t waste one minute beating themselves up for the indigenous people they replaced. Simply put, they are better at living than we are.

When a Ritual Sacrifice occurs at Purim

It is usually that of an adult Christian who was murdered for his blood; the blood is then dried and the powder mixed into triangular cakes for eating; it is possible that the dried blood of a Purim Sacrifice might sometimes be used for the following Passover.

When a Ritual Sacrifice is done at Passover

It is usually that of a Christian child under seven years old, as perfect a specimen as possible, who is not only bled white, but crucified, sometimes circumcised and crowned with thorns, tortured, beaten, stabbed, and sometimes finished off by wounding in the side in imitation of the murder of Christ. The blood taken from the child is then mixed either in the powdered state or otherwise into the Passover bread.

Another festival at which Ritual Sacrifice has sometimes been indulged in is Chanukah (Which is called Hanukkah today) which occurs in December, commemorating the recovery of Jerusalem under the Maccabees in B.C. 165.

Although hate is the principal motive, superstitious traditions are also involved, one being the association of blood-sacrifices with the idea of atonement; some Jews have confessed that Jewry cannot be saved unless every year the blood of a Christian is obtained for the purpose of ritual consumption.

...

From The Magick, in Paris, France:

“...it was the theory of the ancient (Jewish) magicians that any living being is a

storehouse of energy varying in quantity according to the size and health of the animal (non-Jews), and in quality according to its mental and moral character. At the death of the animal this energy is liberated suddenly. The animal should therefore be killed within the Circle, or Triangle, as the case may be, so that its energy cannot escape...For the highest spiritual working one must accordingly choose that victim which contains the greatest and purest force. A (Christian) male child of perfect innocence and high intelligence is the most satisfactory and suitable victim." (Magick, by Master Therion, published in 1929 by the Lecram Press, Paris, France)

A footnote on p. 95 says: "(4) It appears from the Magical Records of (the Jew) Frater Perdurabo that he made this particular sacrifice on an average about 150 times every year between 1912 and 1928."

Interesting content, Count Cherep. You may be interested in this account I have found in another book on, "Jewish Ritual Murder", by Helmut Schramm, Ph. D. In the Appendix the testimony under interrogation of the fourteen year-old, Moritz Scharf, on the ritual murder of Esther Solymosi, referred to in the earlier part of my comment at 10:15, is translated.

"After a while I heard screaming in the synagogue, I heard three or four cries for help, just like if someone had called out: 'Help, people!' Then I ran to the synagogue door but this was locked; now I looked through the keyhole, and since the key wasn't in the hole, I saw that Esther was lying on the floor in her slip while her clothes were on the table. The foreign ritual-slaughterers from Téglás and Tarczal and the beggar were holding the girl pressed to the floor and our present ritual-slaughterer Salomon Schwarz was cutting her in the neck with a knife that was somewhat longer and much broader than a regular table knife (6). He made a cut in her neck, and then the two foreign schächter and the beggar lifted the girl up, but Salomon Schwarz held two bloody bowls, one after the other, under her head, in them the blood was flowing, which they poured into a large pan. Then they dressed the girl again. While they were dressing the girl, four other Jews came out of the inner part of the synagogue: Samuel Lustig, Abraham Braun, Lazar Weißstein, and Adolf Junger and stood around the body of the girl."

How do rabid rabbis' get the idea that they can presume to tell other religious leaders what to do? The same way all jews get the same idea – they just do, using the everlasting holohoax as the excuse.

“How can one venerate a man who showed such cowardice, who was so close a bystander that he seemed to give his passive permission to the Nazis as the Jews were prised from his doorstep in Rome?” Rabbi Lawrence said. The decision demeaned all the “truly holy” people who had previously been beatified and canonised.

”He insults the memory of the innocents who were martyred [in the Holocaust] and the saintly and courageous souls who risked and gave their lives to save others,” said the rabbi, who is adviser to the Executive Council of Australian Jewry and the NSW Jewish Board of Deputies.

The World Jewish Congress said the beatification of Pius XII was “inopportune and premature” and Rabbi Marvin Hier of the Simon Wiesenthal Centre, a Jewish human rights group in Washington, expressed amazement at the decision.”

Why is that all the “UK” folks here have such an undying loyalty for this “Akira” fellow and indeed, **each other** over the other's here? I also spied above a comment regarding a yearning to have Negro's and others comment here.

I believe that this desire for input from the “good” members of the other (non-White) groups are foolish. They amount to a desire to prove to one's self that these degenerate groups aren't bad as they have demonstrated themselves to be time and again. As an example, even those negroids that don't directly engage in raping and murdering will by and large stand in defence of those that do.

I strongly rebuke any attempts to insinuate that anyone that claims their Deutsch identity is in fact a jew. I don't insinuate that anyone of British identity is a jewish banker. This might come as a surprise to people but Germans are the largest ethnic group in America, that is if you don't count Hispanic as an ethnic group (it is not, though it acts as one).

I find it amusing that I repeatedly mention here the natural tendency for people to prefer their own kind and that the strongest attempts to rebuke me for it have

always come from members of a quasi group here that engages in the same behavior. Sure, It may come across as some attempt to divide; it is not.

Pointing out the reality of these preferences for one's own kind is only an attempt to deal with reality. Ignoring reality instead of dealing with it is foolish. True unity cannot be attained by ignoring reality.

The jew always hides behind a mask when it's occult crimes it's Satanism or the Illuminati, when they genocided Russians it was Communist. In America it's Republican or Democrat.etc

Who is Satan really?

Satan is the God of the Gentiles [non-Jews]. All of the Demons are Gentile Gods. This excerpt quote from the Catholic Encyclopedia is very revealing:

"In the same way the Greeks and Romans may have worshipped their divinities, fondly believing them to be good. But the Christian Scriptures declare that all the gods of the Gentiles are demons."

Catholic Encyclopedia: Devil Worship

<http://www.newadvent.org/cathen/O4767a.htm>

The reality of what is called Satanism, not the jewish guise, but true Satanism is the "original religion of mankind" and goal is the Godhead of physical and spiritual perfection and immortality.

<http://www.freewebs.com/eridu666/Origins.html>

What the jews do on the otherhand is simply Juadism in action, the jews themselves known Satan to be their enemy:

<http://www.666blacksun.com/rabbis.html>

"SATAN IS THE AUTHOR OF ANTI-SEMITISM, THE HATRED OF THE JEWS

The term 'anti-semitism' was coined in 1879 by a German journalist Wilhelm Marr to designate anti-Jewish campaigns then appearing throughout Europe. Since that time, the term has been universally applied to any form of behavior or literature which evidences hostility toward the Jews (9).

With every fiber of his depraved, sinister being, Satan despises the Jews. He hates them with a perfect hatred, and his demented nature is revealed in his treatment of the Jewish people. This hatred is a reflection of his hatred for God (as Jews are God's chosen people). Their total destruction is his goal. He is the author of the spirit of anti-semitism (15).

He has tried to persecute God's people, the Jews, in order to eliminate them so that the promised seed of Genesis 3:15, Yeshua, would not be born, and mankind would not be redeemed. The Book of Esther details how the enemy of God and his people tried to eliminate the Jewish race, but God raised up Esther for "such a time as this" to deliver her race. King Herod tried to eliminate Yeshua by having all the male babies in Bethlehem under two years of age killed. In our generation the Holocaust is ever mindful of Hitler's outrage against millions of Jews, while Stalin's killing of thirty million Jews goes hardly mentioned. Today, one out of every five people in the world is committed to the death of the Jews. Islam requires the death of the Jews (7)."

http://www.hebroots.org/hebrootsarch.../980528_g.html

"Therefore, Satan is desperately trying to stop the return of the Messiah. That's why Satan is doing all he can to destroy the Jewish people. At the same time he is trying to make faith in Yeshua so alien and repugnant that no self-respecting Jew,

let alone the nation, would ever desire to repent and trust in Him! Every congregation of believers in Yeshua, Jewish or Gentile, which doesn't endeavor to bring the Good News to the Jewish people, is actually playing into the present plan of Satan: stop Israel from recognizing their Messiah, Satan's destroyer, so Messiah can't return."

“One of the great trials of the twentieth century was the 1913 blood-libel trial of Mendel Beilis in Czarist Russia. Beilis, a Jew, was arrested in 1911 by the Czarist secret police in Kiev and accused of ritually murdering a Christian boy to use his blood in baking matzoh. Beilis was jailed for over two years, under horrible conditions, while awaiting trial. He heroically resisted all pressure to implicate himself or other Jews. In 1913, after a dramatic trial that riveted the Jewish people and much of the rest of the world, Beilis was acquitted by an all-Christian jury.”

As far as Christianity and “chosen ones” are concerned, the following thing happened: the jews made a pact with their tribal demon Yahveh, ie. Satan, who promised them they are chosen by him to rule the world. Then came Jesus Christ—who was not jewish, at least not from his father's side, if you follow my meaning—who brought the new testament, or pact, with GOD now, to save all our souls from being the slaves of the devil. No wonder the jews wanted him dead and acted for it to happen. I have just seen a documentary to disprove the age old “myth” that the jews had a hand in Christ's death... These age-old anti-semite myths are responsible for the terrible pogroms the jews unjustly suffered since then...(I was sarcastic here, just to be sure.) Ashkenazi Jews, also known as Ashkenazic Jews or Ashkenazim (Hebrew:, pronounced [ʔaʔkʔnazim], singular: [ʔaʔkʔnazi]; also, Yehudei Ashkenaz, “the Jews of Ashkenaz”), are the Jews descended from the medieval Jewish communities along the Rhine in Germany from Alsace in the south to the Rhineland in the north. Ashkenaz is the medieval Hebrew name for this region and thus for Germany. Thus, Ashkenazim or Ashkenazi Jews are literally “German Jews.” Later, Jews from Western and Central Europe came to be called “Ashkenaz” because the main centers of Jewish learning were located in Germany. (See Usage of the name for the term’s etymology.) Ashkenaz is also a Japhetic patriarch in the Table of Nations (Genesis 10).

http://en.wikipedia.org/wiki/Ashkenazi_Jewish

All Central European Jews came to be known as Ashkenazim, and the Central European German speaking region became the original territory of Ashkenaz.

Dearborn Independent, in an article in January, 1921 entitled: “Taft Once Tried to Resist Jews and Failed.” To quote:

“Mr. Taft once stood out against the Jews, was strongly denounced as unfavorable to the Jews, was soundly beaten by the Jews on a matter on which he had taken a firm stand, and has ever since shown that he has learned his lesson by accommodating the Jews in their desires ...

“For centuries Russia has had her own troubles with the Jews and, as the world knows, has at last fallen prostrate before Jewish power which for centuries, has been working to undermine her ... The biggest hoax in modern times was the propaganda against Russia as the persecutor of the Jews. Russia devoted to the Jews a large part of the most favored section of the land, and was always lax in those laws which prohibited Jews from settling in other parts of the country that the Jew was able to create an underground system throughout the whole of Russia which controlled the grain trade, controlled public opinion, and utterly baffled the Czar’s government. The cry of ‘persecution’ arose because the Jews were not permitted to exploit the peasants as much as they desired. They have, however, gained that privilege since.”

Hey Incogman. Kudos to your continuing excellent blogging, including posts like this one. Your graphic work has reached an all-time stupendous high as well.

Now about this "alleged" blood libel business. Folks who doubt that at least some subset among the jews is involved in human sacrifice of innocent gentile children should suspend their disbelief and examine the evidence. JR Rare Books website hosts many PDFs, all free downloads. <http://www.jrbooksonline.com/> Pro-White literature and hard-to-find rare old out of print books as well — the type that seem to vanish from the market, maybe because the jews run the used book business. JR has a LOT of old books dealing with "Jewish Ritual Murder." And none of them written by nasty "neo-nazis," either. Mostly they pre-date that era. So check it out.

I'll never forget how when I first heard about the concept, online, I just couldn't accept it. I already knew that jews controlled the money system, had probably started WWI, and other truths, but this blood libel business just seemed too off the wall and far fetched. Wow, it didn't take me long reading the right material to see how it really could be true. Then an examination of day to day jewish behavior in Palestine and around the world convinced me that if it could be true, it must be true, at least in some instances, BUT THEY ALL HELP COVER IT UP! Just like you won't here any "good" jews suggesting that Israel did 911.

Let me leave you with something to think about.

Can you picture a really sweet looking, beautiful, charming, German American 11th grade girl, kind, intelligent, well mannered, and as gorgeous as any woman who ever walked the face of the planet? Well, in my home town a girl answering this description vanished one day from her gas station job. Walking across the large lot, she was there one minute and the next time anyone noticed she was gone. NEVER to be seen again. She had no problems at home. She had no enemies. She wasn't bold enough to run away and she had no reason to do so. She had a nice boyfriend, a younger neighbor of mine. Her older brother was my good friend. To this day, she has never been seen again. That was around 1972. The brother has passed, but I asked the boyfriend about it several years back and he told me that as far as he knew she had never been seen again. She hadn't acted odd beforehand and they had plans for the weekend. She just vanished. At that time the town in question had maybe one black and no hispanic residents, nor were any nearby, and those who passed through stuck out and were noticed and remembered, sometimes by the police. So tell me. What do you think happened to Cindy?

Why does my existence here threaten you so, My Name? It's not as if I'm the target you needed to vent your true feelings. So, you have a problem with Germans... Let's just get down to the dirty facts here. I'm an American citizen and was not born in Germany. Why then, do I call myself German? Is it because of some flag I

wave above my head?

My Name, I am German because of my ancestors. I am German because of my progenitors. I require no name change, I require no plastic surgery, I require no flag, to claim that I am. What's your problem? Why do you fear me?

Those were rhetorical questions, My Name. I already know the answer. Don't bother explaining. You don't understand. You probably think my surname has the word gold in it. Just as I know that wearing "white face" is just another ruse.

This may not really fit in this category, but it is something that I want to have more exposure. I've previously posted about this conjecture, but I think this is a new report on the same matter. It seems important to me for the reason that if it is proven false, it is no big deal. If it is proven valid, and there should be ways to do so, then it can conclusively show a concealed 911 conspiracy. It is my understanding that it is proveable already that Barbara Olsen could not have called Ted Olsen from the plane while the "hijacking" was taking place, as has been the contention of Ted Olsen and the FBI.

Ted Olsen defended Jonathan Pollard, which has nothing perhaps to do with this issue, but it could if the contention is somehow proven. One huge indication that there may be substance behind it is that Lady Booth Olsen has such little known history. The biggest is the physical similarities shown between Barbara and Lady Booth and the timeline of events leading to the marriage so soon following the “death” of Olsen’s spouse. More unlikely, but could there be some type of a connection between Lady Booth and Cherie Booth, the wife of former British Prime Minister Tony Blair? I really do not think that this gets enough attention, because it has so much potential in the event a deliberate scam is proven.

<http://vaticproject.blogspot.com/2010/04/title-mossads-one-million-helpers-world.html>

While checking for links on this, I came across another theory which seems stranger than the Booth/Olsen issue, and I have no ideas about that, but I’ll leave the link for those who do have an interest.

Ante Pavelic was married to a Jew. His top butchers of Serbs, Slavko Kvaternik, Macek, were Jews. Franjo Tudjman was a Jew. They disguise themselves as Catholics and murder Orthodox Christians in the name of the Holy Father. They followed the teachings of the Jew Josip Frank who brainwashed Croatian peasants that they are descended from Ostrogoths and Romans, and not Slavs, like the untermenschen Serbs. The untermenschen idea is a Jewish idea. Same as the Marranos and all the fake Jewish converts throughout history. But Madeline Albright, the Jew who was saved from Ante Pavelic and Hitler by those same Serbs

who were massacred on their own territory, grew up to bomb the shit out of Serbia and had the Serbs ethnically cleansed from their ancestral lands from the Military Frontere (which was the Habsburg dynasty's lands of defence against the Ottoman Turks, also Jewish led) through Bosnia all the way to Kosovo. Jews will murder other Jews and they will stab the gentiles who protect them in the back. The Ustashi are recent history and their political party is still active in Zagreb. They are a two pronged fork and the white nationalists and revisionists ignore this because they want the Serbs and Croats to be united in the name of white unity, just like Jew Freemason Josip Broz Tito forced brotherhood and unity down their throats. For the Serbian people, NEVER AGAIN! REVENGE OF SERBIA MUST COME.

revolution, regicide of christian king 1649...1788, french revolution just as destructive to france as russian rev...usa bloodless coup via 1913 fedres act(civilWar seems to have roots in jewish financial perfidy)1905 attempted russian coup then successpool in 1917..I think that one pleased the talmaniacs as the dereg of Americen S&L Banks and the crafty plan of bronfman whiskey jews creating prohibition for \$...spanish civil war vs.bolshevik scum killed 1/10th of spanish pop mostly women and children just like all the fucking wars these aliens bankroll..it ended when germany stepped in to help franco..the scumsheviks were trying to "ethnically" cleanse christians of all denominations and any other gentile they could terminate...the real holocaust happened to germany and true to their word the khazars got us into the war and used te usa to bomb 61 major metro cities besides dresden..funny how they downplay the numbers which some people believe to be 700,000...it is with truth spoken that there were only 2.3 million jews in europe during ww2 and that scores of "jews" served in german armed forces, and lived freely as avowed aryanized anti-communists in germany during ww2....heydrich eikmann etc..hitler may have been baited into attacking russia first being told russia was going to attack germany..normally nothing to fear but knowing america would be mobilized he may have sought a quick resolution to snuffing out the no good bolsheviks and then maybe hoping to befriend england as well sending hess to neg.a deal before the genocidal saturation bombing started..correct me if time line is off but adolf gave england back the 300,000 men off dunkirk as peace offering...zionist commies had a different plan..genocide of germans after the war what with the DEF status roundups nothing has ever really touched on a possible quiet murder of 20 million more germans stuck in the eastern sektor..red cross reported 6 million abortions from 45-48...russian jew ehrenberg and stalins idea of recreation..most german people thought of hitler as a pawn and a joke and the bombing of all these cities only served to rampup death disease and starvation in the camps and cities...redcross reported jew deaths at what fluctuated from 70-90-150 thousand..how then do the jews sue the usa right now in the courts for 200 billion because we supposedly didnt blow up the tracks around hungary? and so more jews were supposedly killed..the safest place to be was the camps from aerial bombing..one reaseon people were dying and jews were only 15% of the inmate pop was because of the bombing in the first place...the USA should issue a past due bill to the illegal state of israel for what it cost for america to fight in ww2 with interest..all the families of the dead are morally entitled to damages from the organatzi b'nai b'rith global purse...if england and the usa had stayed the fuck out of that war ...??..hitler had to go and he disobeyed his rockefeller zioznaz handlers so it goes..the holocaust never existed until zionist "allegedly"backed nazzi party took a stroll in skokie, ill in 1970.....then all of a sudden jewish families were split in 2 over this new info about the "H" and then people who had survived 11 death camps were unveiled .lol..as i sad before the real death camps were in ussr under jewish domination from 1917-1987...all the methods of killing were simply borrowed from true stories in russia and superimposed on germany..it would take 20 years to incinerate that many people in those double dutch ovens and they were alwaus breaking down so they had to shut down both sides....yeah it seems that the water tables under these camps was a problem for burying typhus dead..typhus is like an lsd trip with extreme hallucinations....I like what the gen patton said about it all and they zionized him ..a computer hard drive or 10 of em is not enough to chronicle the litany of religious hatred of gentiles nor the jeolosity of gentiles property and families...i wont go on ..a good laugh is einstein ..tis fuck was so stupid he barely passed the prep school he had to take to get into some damn skoll or another and they wouldnt let him in without refresher skool and so he goes up te educ ladder and virtually fails in this school...he plagiarized the theory of relativity from del pretto a scientist who was published in an itallian science paper 2-3years prior to einstein publication...and even more the guy del pretto likely plagiarized this shit from some group of scientists 14 years earlier <http://www.cartesio-episteme.net/fis/depret-bombay.htm> ... http://www.saveyourheritage.com/jews_and_communism.htm http://en.wikipedia.org/wiki/Sons_of_Noahrate of semite blood dilution in semite descendants is .02% <http://www.enire.com/genealogy/ethnic-dna-t34799->
