Tucker Carlson, now ousted from Fox News, gave a [speech last week](#) at the 50th Anniversary of the Heritage Foundation on the **bigger picture of good and evil within our society.**

The conflict is no longer about politics, it's **about the very moral foundations of civilization.**

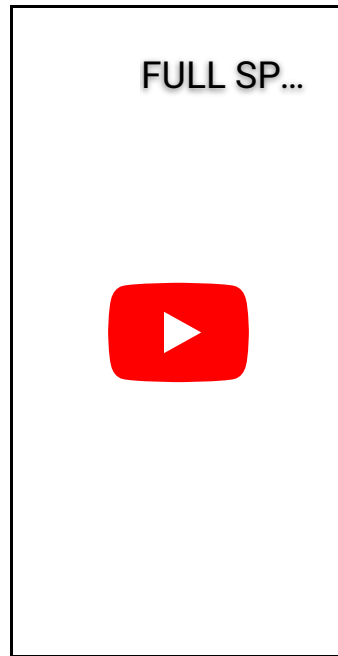

The new ideological movements are based on old and dark premises, and their motivations are solely to destroy what they

can in order to take what they can.

Perhaps Carlson was getting a little too close to the truth...
