Mercury-Free (Amalgam-Free) and Mercury-Safe Dentists, Mercury Detoxification, Amalgam (Silver) Fillings, Oral and Overall Health

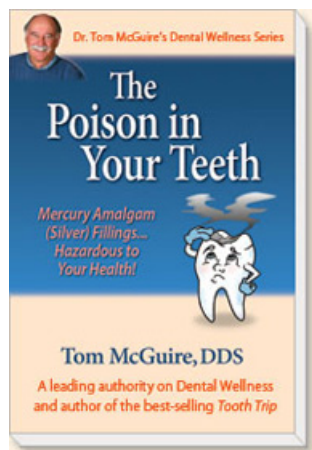

New YouTube Video

We know Mercury Amalgam (Silver) Fillings release poisonous mercury vapor. We know there is no harmless level of mercury! Yet there are still dentists & patients who refuse to accept these facts!

Dr. Tom McGuire's YouTube Video *Mercury: The Poison in Your Teeth* provides conclusive quantitative proof that not only do amalgam fillings release toxic mercury vapor - but that the common act of brushing just one amalgam filling - will release more mercury than allowed by governmental regulatory agencies at the workplace.

The Poison in Your Teeth: Mercury Amalgam (Silver) Fillings . . . Hazardous to Your Health - \$14.95 -

The Poison in Your Teeth proves that mercury is continuously released from amalgam (silver) fillings. Mercury is the most poisonous, naturally occurring, non-radioactive substance on earth. It contributes to over 100 health issues, including heart disease, autism, chronic fatigue, MS, allergies, depression, memory loss and anxiety . . . to name but a few.

Mercury Detoxification: The Natural Way to Remove Mercury from Your Body - \$19.95 - Tom McGuire, DDS

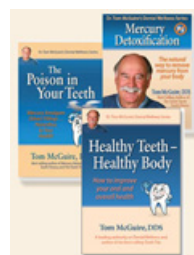

Mercury Detoxification is the A to Z guide to naturally and safely removing mercury from your body. This is the most complete, practical, and effective book ever written on the subject of mercury detoxification. Written in a way that everyone can understand, it explains how:

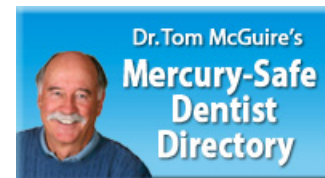

- Mercury poisons the body and how the detoxification process works.
- To use healthy natural nutritional supplements to safely remove mercury from your body.
- To support brain and intestinal health during detoxification.
- To use schedule charts and testing to support and monitor your program.
- To heal the damage mercury has done to your health.
