At King World News, Turk and Griffiths expect metals rally

Submitted by cpowell on Wed, 2011-06-29 01:43. Section: Daily Dispatches
9:41p ET Tuesday, June 28, 2011

Dear Friend of GATA and Gold (and Silver):

GoldMoney founder James Turk tonight tells King World News that with futures options expiration behind them, gold and silver likely will rise now. Turk still sees a historic summer ahead for the precious metals. You can read excerpts from the interview at the King World News blog here:

Dear Friend of GATA and Gold (and Silver):

Plans are developing for GATA's Gold Rush 2011 conference to be held at the Savoy Hotel in London from Thursday, August 4, through Saturday, August 6.

The Savoy will be the center of the gold (and silver) universe then, as GATA has assembled the top people in the field, including:
