for your money."

If you are in southern California, visit our store and experience firsthand one of America's largest physical inventory, or call toll-free 1-800-225-7531 for answers to your questions; there is never an obligation to buy. If you decide to place an order, ask for your **Computer Confirmation Number**. This guarantees your quote and obligates each party to the transaction regardless of market movement during the delivery process. Paying with a bank wire is the fastest way to receive your order and a requirement for all orders exceeding \$15,000.00. We hold orders paid by cashier's check or money order for 2 weeks and by personal check for 3 weeks to allow authentication of payment. We apologize for this wait and suggest when this is not satisfactory, please consider a bank wire.

**Free Insured Shipping ~ Best Price Guarantee ~ Buy Back Guarantee!** For those using the mail, our minimum bullion order is \$2000 (you may combine gold, silver, platinum, palladium to meet the \$2000) and we pay shipping and insurance, saving you \$25 to \$100 in extra fees. For your protection, we package to conceal the contents and mail shipments using U.S. Postal Service Restricted Delivery to the name and address on your bank account.

We update the prices on this web page once each day, after the close of the New York trading so use these prices as indications only. The precious metal markets are volatile and our buy and sell prices may change without notice because of current trading information and after-market or premium changes.
