## **Rob McEwen - Once \$3,000 Falls Gold will Launch Like a Rocket**

With the gold and silver markets still experiencing turbulence and the US dollar attempting to stabilize, today King World News interviewed one of the great company builders, Rob McEwen former CEO of Goldcorp and current Chairman & CEO of US Gold. When asked how he arrived at his gold target McEwen...

## **Stephen Leeb - Silver Should Be \$150 Today**

With so much volatility in the gold and silver markets, today King World News interviewed one of the top ranked money managers in the country, Dr. Stephen Leeb, Founder of Leeb Capital Management. Dr. Leeb's

## **FEATURED BROADCAST INTERVIEWS**

**GOLD ROCKETING, SILVER, END GAME, QE3, 4, 5 & MORE - Rob McEwen:** Chairman of the Board (BA, MBA) & CEO of US Gold, Executive Chairman, Director, President & CEO of Minera Andes - Rob is the original founder of Goldcorp Inc. (NYSE:GG TSX:G), where he took the company from a market capitalization of \$50 million to over \$10 billion. During this time Goldcorp's shares achieved an annual compounded growth rate of 31.26%. Rob has been associated with the resource industry for 30 years. Rob McEwen is known as one of the top company builders and figures in the mining world today and investors who have followed Rob have experienced extraordinary returns.

**\$150 SILVER, GOLD, RESOURCE SCARCITY & MORE - Dr. Stephen Leeb:** Dr. Stephen Leeb: Chairman & Chief Investment Officer of Leeb Capital Management - Dr. Leeb is a registered investment advisor and has been managing big cap growth portfolios since 1999. Over the last decade, his independently-verified performance record has been ranked in the top 5 percent among peers according to Informa's PSN manager database. Dr. Leeb is a New York Time's Best Selling author, seven books total on investments and financial trends. His latest book, Game Over: How You Can Prosper in a Shattered Economy (Business Plus, 2009) predicts a permanent peak in global commodity production.

**KWN EXCLUSIVE "SUMMER TRENDS JOURNAL" SNEAK PEAK - Gerald Celente:** Founder & Director of the Trends Research Institute - Gerald gives the King World News audience a detailed sneak peak into his upcoming "Summer Trends Journal" which will be released later by the Trends Research Institute. Gerald has been quoted and interviewed in media throughout the world such as, CNBC, Fox News, CBS This Morning, 48 Hours, ABC, NBC, BBC, The New York Times, The Wall Street Journal, Time, Business Week, FT, U.S. News and World Report, The Economist and more.

**SILVER SHORTAGE, GOLD, MINING SHARES, DOLLAR & MORE - John Embry:** Chief Investment Strategist for Sprott Gold & Precious Minerals Fund - John joined the now **\$9 billion** strong firm SAM as Chief Investment Strategist in March 2003, with a focus on the Sprott Gold and Precious Minerals Fund. He plays an instrumental role in the corporate and investment policy of the firm. Mr. Embry, an industry expert in precious metals, has researched the gold sector for over thirty years and has accumulated experience as a portfolio management specialist since 1963. John was named Vice-President, Equities and Portfolio Manager at RBC Global Investment Management, a \$33 billion organization where he oversaw \$5 billion in assets, including the #1 ranked Royal Precious Metals Fund.

**GOLD, FED, ECONOMY, US DOLLAR, INFLATION & MORE - Michael Pento:** Senior Economist at Euro Pacific Capital - Michael is a well-established specialist in the "Austrian School" of economics. A regular on Fox Business, CNBC, Bloomberg and other national media outlets and his market analysis can be read in most

major financial publications, including the Wall Street Journal. Prior to joining Euro Pacific, Michael worked for a boutique investment advisory firm to create ETFs and UITs that were sold throughout Wall Street. Earlier in his career, he worked for the U.S. Treasury Department.

**KWN Weekly Metals Market Wrap:** We have added new segments to the KWN Weekly Metals Wrap covering gold, silver, trading and a plethora of other factors affecting the precious metals markets. I am giving King World News listeners globally access to what has long been my weapons in researching where gold and silver are headed directionally. We cover the Commitment of Traders Report as well as other factors which can influence the gold & silver market price action.

**Stock Market Wrap with Art Cashin:** Director of Floor Operations for UBS Financial Services & CNBC Market Commentator - Art's been on Wall Street for over 40 years, he offers valuable insight to both investors and traders. When he started in the industry, the Dow Jones Industrial Average was actually in the 700-800 range. He shares his analysis and gives the pulse of the market from the floor of the New York Stock Exchange. Art is one of the most respected people in the world regarding analysis of the...
