

It's time to end the mandates

Both sides have a compelling rationale to end the mandates and the State of Emergency. It's time to trust the judgment of the American people.

A proper informed consent leads to 99.8% of army soldiers refusing to get vaccinated

Army doctor Dr. Pete Chambers gave an informed consent briefing to 3,000 soldiers. After that briefing, just 6 soldiers wanted to be vaccinated...

Moderna vaccine for kids 6 months to under 6 years doesn't meet the FDA's own bar

The vaccine slightly drops your child's risk of getting COVID from 0 to 0. It doesn't meet the FDA's bar for efficacy. I predict the FDA will approve it...

VSRF call Thur Mar 24: Vax mandates and our armed forces

Wow. Check out the insanity in this photos. Face shields and masks and they are all outdoors. If this isn't mass brainwashing, I don't know what is...

Johns Hopkins Professor Marty Makary won't debate me; not even on his own terms!

I said I would give him ONE paper in advance and we'd stick to that paper. I said he can review it for as long as he wants and he could bring as many...

If you die from the vaccine, your life insurance company may not pay out

I've heard this many times. Here's a video on it. What are your experiences with this?

The final word from Twitter on my account (after 13 years): we're deleting you and everything you ever wrote

After 13 years on Twitter, I was suspended for life a second time on Feb 6, 2022 and I was just notified today that there is no appeal. It took them 6...
