Caveman_Origins This further proves that the majority of Australians are easily manipulated and their men are a bunch of gutless pussies incapable of protecting their families.

Caveman_Origins My friend, in case you have not noticed, we LIVE in a society of idiots. You can use vaccine statistics to help you determine the levels of idioy by country. I'm the US our idioy level is 68%. Australia's level of idioy is 97%. Keep trying if you will. I am done trying to change people's minds. You can't even convince them that [show more]

GimpGulag Mate I want a front row seat when that bitch curt SHY swings at the end of a rope. What a shit being she is.

TonkaGoldman Yeah she is feral.

Sandeeep_Ousy Kudos to this guy for speaking out the truth and calling out the liars and totalitarians, but you can see by the responses that the time for talking is over. These Globalist minions are possessed, and they have become incapable of seeing reason.

BluecollarHero the smug curts will never admit their treachery even when caught. traitors like that should be targeted for public assassination

AncientRedpill Sarah Hanson-Young and Sen. Waters 2 typical feminist curts that think all men are rapists.

Sandeeep_Ousy Isn't it interesting that those who are on about rape the most, are also the ones craving to violate other people's bodies?

TonkaGoldman Not at all. The left never follow their own rules.

gomburza The TRUTH shall prevail! Those who lie threaten & coerce people to take the jab for financial gain will live a rotten life. Bad karma is a bitch!

TiKnee Their miserable lives must be shortened while their necks are lengthened. The masses injured and dying will drag them from their castles through the streets where they will receive their stripes mile after mile to a hill where all can see them punished severely for their arrogance then hung by hoisting them off of the earth for a [show more]

Cucamonga41 You gotta wonder how much money the bitch who shut it down gets from the pharmaceutical companies?

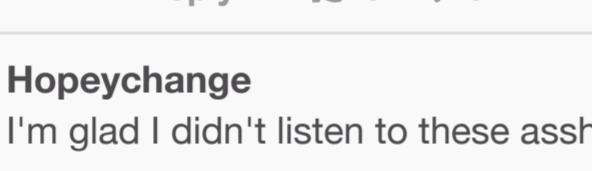

TiKnee It won't be enough to keep her from the gallows. It never is. Just a couple coins for the Ferry Man on her trip across the Styx. [show more]

TonkaGoldman Sarah Hanson Young is a watermelon. The really crazy type. Doesn't know who the father of her daughter is. Used to fuck anything that moved.

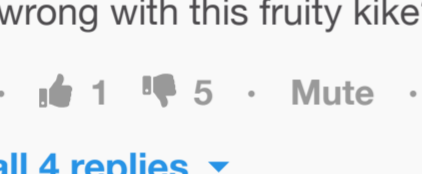

Cucamonga41 He summed it up PERFECTLY.

ecliptic This man is a Saint. God bless this

Jmallard I like this fellow, talks sense, , except for the gov granting autonomous rights,, seems reasonable that only a creator could endow rights, and governments create nothing, what a government grants, to be taken and given at whim

One_Hang_Long Doesn't read from a script either very rare to find these days

TimesUp29 Have the injured visit the green partys homes;

Totalloser I salute his mettle, however,Using the system to fix a fixed broken system is ludicrous. Revolution is the only solution.
