These are the African heads of states who were eliminated because they wanted to expose the COVID criminal conspiracy.Posted on [July 4, 2021](#) by [State of the Nation](#)

Antibody Deception

A FRIEND WROTE:

The master-money makers of the world are at work again with another stint that promises to revolutionize the diagnosis and treatment of SARS-Cov-2, even though this nasty microscopic enemy of mankind was never properly isolated. These apprentice-sorcerers do not seem to know that proper isolation of the virus was never achieved and they continue to fool a wide array of people including governments, health professionals, mainstream media, and any other groups of gullible people. As it often happens, a lot of the taxpayers' money is generously handed to these saviours of the world and, as usual, it remains a well-kept secret discovered months or even years after the ventures had flopped.

Every time I heard Mr. John Magufuli, president of Tanzania, I was inspired by his courage and creativity. He stood up and spoke up against the conspirators who created COVID. Because he knew too much, they found a way to make him die of "a heart attack".

Here is a list of the African heads of states who were eliminated because they wanted to uncover the COVID conspiracy.

 JOHN MAGUFULI (61), President of Tanzania, 17.03.2021

 HAMED BAKAYOKO (56), Ivory Coast Prime Minister, 03/10/2021

 AMBROSE DLAMINI (52), Prime Minister of Swaziland, 13.12.2020

 PIERRE NKURUNZIZA (55), President of Burundi, 08.06.2020
