New study concludes children should not be forced to wear face masks

A group of clinical researchers are urging policy-makers not to require children to wear face masks, after finding that such masks cause a rapid buildup of carbon dioxide in the air breathed in while wearing masks, reported Arutz Sheva's David Rosenberg. In a new study published by The Journal of the American Medical Association (JAMA) entitled Experimental Assessment

Watch interview: Bioweapons and directed energy weapons

Janet Phelan, author of the upcoming book At the Breaking Point of History: How Decades of US Duplicity Enabled the Pandemic, talks about the many violations by the U.S. of Bioweapon Convention, and the why the narrative suddenly switched to an accidental release. Also, the sudden reversal by the U.S. government on the "Havana Syndrome".

The Delta Lie

by Dr. Michael Roth, D.C. I'm not a seer, I'm not a prophet, I'm not even a good guesser but...it's pretty easy to recognize a duck when it walks, looks and quacks like one! We're seeing classic "duckism" as it relates to the continuing escalation of the government's response to the COVID-19 pandemic.

In many states, minors may consent to receive COVID-19 shot even without parent's knowledge

A District Administration survey

the India Bar Association (IBA) attacked WHO Chief Scientist of India Soumya Swaminathan with 71 counts describing Swaminathan's evaluation discouraging ivermectin to treat COVID-19 as "extremely unreasonable" and "having another purpose." The Association called to invoke articles 302, 304 (paragraph 2), and 88 of the Indian Penal Code regarding
