At every stage of this global coup, what starts in one place or is directed against one group of people ends up being used against everyone.

Hope Americans will raise up and stand together. Unfortunately, I am not seeing it in Commie California. They are so

Please share this and tag politicians, lawyers, Hollywood people, musicians, sports people, teachers, etc and ask what are you going to do about this! They are all silent. It's disgusting. All this to force people to take a jab of an experimental vaccine that won't prevent covid, won't stop the spread of covid, and won't stop you from dying from covid. Fn joke! If there was a real pandemic and a vaccine stopped people from dying they would not have to force people to take it. 2 ^ | V · Reply · Share > OrionJeriko · 3 days ago

The wisdom and truth of a real aboriginal woman. This is what happens when a country has all of their guns taken away.

Australian government fascists rounding people up and putting them in concentration camps need to be liquidated ASAP.

2 ^ Reply · Share > Tim Drayton • 3 days ago Are they force injecting people or dragging them off to concentration camps, or both? I am still hazy about the details of the globalist fascists' latest outrage and assault on human rights.

Facebook isn't even trying to hide the fact that they are blocking people from knowing about this. Aboriginal people are being attacked, again, and yet the social media giants are literally complicit in it and condoning it. We are on the verge of something catastrophic here. 1 ^ V · Reply · Share › Kevin G. • 3 days ago

We need to get prepared here in the U.S! 1 ^ Reply · Share > Lone Janiger → Kevin G. • 2 days ago But is anybody? I find Americans so lazy about getting involved. In California people are so brainwashed. Many are standing up and fighting back, but we are up against such a corrupt system to begin with that the battle is hard. I hope people with Twitter, Instagram, Facebook, YouTube tag politicians, lawyers, Hollywood people, musicians, teachers, sports people etc and say what are you going to do about this.
