Caris James (/v/pizzagate/1435385) submitted 3 days ago by tamamshud (/user/tamamshud)

Photos of Caris James (http://sl.mm/dkpNmv) from the instagrams, in chronological order.

James/Christopher Alefantis claims in the recent video to be her godfather. Someone also refers to him as grandpa Jimmy.

Where is this girl? Nobody has found a trace of her. The last known photo of her (playing with PVC tape) is from early 2015. There do not appear to be any photos of her outdoors, and there are signs of abuse and neglect.

Why did godfather Jimmy take her to Europe when she was an infant, and why does the only travel photo show her chewing on $1000 stacks of euros?

She may be. She is in the #chickenlovers picture with Scott, and I can identify her with him in two photos here (https://webcache.googleusercontent.com/search?q=cache:GaD6bYaZZncJ:https://www.reddit.com/r/pizzagate/comments/5csusq/identified_girls_from_jimmycomet_ig/+&cd=1&hl=en&ct=clnk&gl=uk&client=firefox-b) [1]

Only two daughters are identified in that thread, but it's clear from their MySpace gallery (https://myspace.com/nofingerprintsnoface) that they also have a son.

James says "Caris loves being in Europe", but it's possible he was joking.

The girl referred to as #CarisJames is actually Caris Cummings, Scott Cummings' daughter. CC Woolman is Cory Woolman, Scott's wife. Together they have two daughters, Caris 5 and Mae 8.

Also?
was, are we sure it is only the name of this girl? It doesn't have some kind of other meaning.

You see that hashtag on so many of his Instagram posts. I was wondering what the meaning was, are we sure it is only the name of this girl? It doesn't have some kind of other meaning also?

Quite a few links to this from CometPizza. All tweets from this hash have been deleted.

-Nothing suspicious here.

Here are some additional photographs from Facebook: * Caris (http://archive.is/PWiDF) * Mae and Caris (http://archive.is/c1kB8) * Mae, Caris and Quinlin (http://archive.is/6TQP) * Caris (http://archive.is/MIri)

The very minute he stated "god daughter" a red light lit up with me on this! She definitely needs to be found.

I think the #CarisJames tag simply means "Caris with James".
(I explored other possible meanings before. For example, someone called her Ceris, which is Welsh for "love" and would parallel James/J'aime.)

I see, thanks.

I could be completely off here but when I clicked to see which two profiles Caris James follows, it's Farrah and Maci from MTV's Teen Mom. Remember a few years ago when the show first started and Tyler and Catelyn give their daughter Carly up for adoption to this wealthy couple?

Could this be related? https://twitter.com/caris_james Seems awfully strange that a baby would have a twitter account but it could be nothing
