

Imagine a day with a new healthcare system. It's Here. Welcome to Freedom Healthcare

What is a Private Health Association?

[Learn More](#)

Freedom Healthcare is a:

PRIVATE HEALTH ASSOCIATION

Freedom Healthcare is Arizona's new, alternative healthcare system, launching for personal freedom in healthcare! Our diverse medical teams will be from all genres and have a proactive focus on health in all aspects of life; body, mind and spirit. Private health association membership with direct primary care and concierge options.

Our Health Ministry Mission

We believe our Creator endowed us with a perfect immune system and everything in nature we need to take care of our bodies. We focus on proactive healthcare, natural alternative medicine, wellness, exercise and a healthy lifestyle. We also incorporate state of the art medical advances and options for individuals to explore in their healthcare journey. We believe in personal choices for you on your journey to your best health.

Bringing True Healthcare Into The Future

Our Mission:

To provide proactive, sound and nature-focused healthcare to individuals, providing value and making a difference in individuals lives through body, mind and spirit.

Experience and Professionalism

With decades of experience, our diverse medical team will assess your healthcare needs and give you options for healing. We understand the importance of educating you on the most effective ways to naturally take care of your body, so that you can feel better quickly.

Practitioners Who Care

Not only will our medical teams treat your existing conditions, but we also work to maximize healthy living strategies. We strive to help you improve your quality of life, achieve your wellness goals, and support you living your best possible life.

Practitioner Based Clinics Around Arizona

We will be launching clinics and micro-hospitals around Arizona with healthcare professionals in every genre of practice. As a Member of our Private Health Association, you can choose to see any practitioner at your clinic. Find the medical practitioner that best fits your personal health needs and help you balance body, mind, and spirit.

Wellness Support

Freedom Healthcare focuses on overall wellness, through attention to mind -body-spirit. We want to help you gain and maintain the best possible healthy life, so with exercise programs, wellness clinics, nutrition & cooking information, as well as a strong Faith in our Creator for sustaining our lives. Find where you can connect that will be a benefit to your life and others.

A Healthy Community

When you choose Freedom Healthcare, you join a true community. We work with all our members of our community to build a network of people working together for a healthier community and world.

Investing in the future of your healthcare

“When you build it, they will come”.
