WATCH

Summary of All Evidence => Intent to Harm

- **Toxic by Design:** Mechanisms of injury designed into C-19 injections
- **No Safety:** Horrific death and injury toll (VAERS, vSAFE, Eudravigilance, Yellow Card, etc => millions of reports)
- **No Efficacy:** negative efficacy 3+ months after injections
- **Bad Manufacturing:** Highly variable production, non-compliant with cGMP, no enforcement of cGMP by any agency
- **Malignant Policy Worldwide:** Government lies, cover-up, gaslighting of the injured, prosecution of dissent and whistleblowers, collusion with media, perverse financing of the above => clear intent to harm

If the DOD has an intent to harm people, what is their motivation, why do they want to harm American citizens using genetic vaccines?

Quite possibly because those at the highest levels have bought into a specific ideology whether it be Malthusian or darker such as Luciferian.

I am a patriotic American, but at some point, I would say with LBJ signing the anti-White affirmative action executive order in 1965 and intentionally stopping White immigration was a tipping point for the USA. The levers of control in the USA have been completely hijacked by anti-White, anti-American and anti-Christian mafia.

We can all now see the anti-human agenda of the Democrat Party and MSM in the USA. Easy to see that they hate the common American people because they openly say so.
