disagreements, it is about protecting our parents and our children from an

unconstitutional regulation that can easily lead to separation of families and

indefinite detention with no due process. It is that ridiculous and disgusting.

— is Bobbie Anne Cox, a seasoned New York lawyer who has been practicing in the area of property tax law for nearly 25 years. Early on, she became outspoken about the "COVD measures" by the former New York State governor Andrew Cuomo. When Bobbie Anne first found out about the New York isolation camp regulation, she rubbed her eyes — but it was there, and it

Bobbie Anne started talking to other attorneys, and many attorneys recommended to

wait until the authorities start pulling people out of their homes and throwing them

into camps — and file a lawsuit then. But she couldn't wait for the ugly, and after

putting in a lot of hard work and legal research into how one could file such an

The attorney who filed a lawsuit against the unconstitutional regulation — and won

to appeal the Judge's decision. And now it's up to all of us to spread the word like crazy and let people know what we are facing — since the media is not covering this

One Person Can Make a Difference

As a result, she won, and the brave NYS Supreme Court Judge Ronald Ploetz struck the regulation down (court_decision). However, like I mentioned earlier, both the Governor and the Attorney General who are up for ... hopefully, being voted out of office on November 8 — have promised

unprecedented lawsuit, she figured out an angle, which was "separation of powers."

detailed information the isolation camp regulation, the lawsuit, and how individual people can help fight the tyrants. Here is what they have to say about the regulation

<u>Uniting NYS</u>, a citizen group, has created a dedicated website that provides very

In the <u>interview</u>, Bobbie Anne mentioned that when the lawyer representing the NYS Attorney General's Office (fighting to keep the draconian regulation in place) was

"need to go and look in families to find those people who may be sick and remove them." Remember that media briefing? The "conspiratorial" internet blew up, and then the videos of the talk were mostly taken down, then a thousand other things happened, and it was kind of forgotten.

That statement was one of the things that inspired me to write my very first

世界卫生组织 خلمة صحة العالمية

The bill strips parents of any control over medical, dental, or mental health interventions that their minor child may "choose" to undertake. They still get to pay for said interventions, but even the insurance companies potentially billing them don't have to tell them what they are paying for, unless the minor child gives an explicit permission to tell the parents. You can read more about this draconical proposal on **Bobbie Anne's Substack**. **A Critical Juncture** We are at a critical juncture where we are being assaulted by tyrants like there is no tomorrow. It is critical because they are bullies — but we are not victims, and we have the spiritual power to refuse to bend over. Bobbie Anne Cox is a beautiful example of being brave — and winning. May we all be protected from the bullies — and may we all protect each other. **About the Author** To find more of Tessa Lena's work, be sure to check out her bio, Tessa Fights Robots.
