2020 (To join our email list, click here.) Suppose one of the most intense “safety practices”—wearing a mask—actually inflates the number of COVID diagnoses? Needless to say, it would be a bombshell. Suppose PCR and antibody tests turn out false positive results because people are wearing masks every day? How [...]

COVID: what was the plan all along?

by Jon Rappoport July 10, 2020 (To join our email list, [click here.](#)) The plan all along was: sell a STORY about “a new virus.” A virus that researchers would believe they had discovered—but didn’t. The researchers are cultishly devoted to procedures of discovery that are scientifically useless and non-valid, as I’ve explained in several [...]

My investigation of the so-called COVID deaths

by Jon Rappoport July 9, 2020 (To join our email list, [click here.](#)) At this point, I've written and published over 150 articles on the COVID fraud. For every major assertion I make in the following overview, I've written at least one article. To sum it up: deaths labeled "COVID" have nothing to do with [...]

My investigation:

the cult of COVID

by Jon Rappoport July 8,
2020 (To join our email list,
click here.) After I
published several recent
articles, an issue was raised.
I'll use it as an introduction
to the cult of COVID. I
stated that a new COVID
virus was never properly
discovered. Then I was
asked: so are countries all
over the [...]

My investigation of COVID-19

by Jon Rappoport July 7,
2020 (To join our email list,
click here.) This is one of
those investigations in
which you ask yourself, IS
THE PHENOMENON, AS

DESCRIBED, REAL? That's where I started. At this point, I've written well over 150 articles about COVID-19. And of course, the phenomenon is not real. Most people [...]

COVID: the patients with severe oxygen shortage

by Jon Rappoport July 6, 2020 (To join our email list, [click here.](#)) In this article, I report on what is apparently a hereditary condition. Modern researchers would call it genetic in nature. I'm not endorsing their analysis or conclusion. All I'm saying is: apparently hereditary. This article is not intended as a single explanation [...]

Highly dangerous drug being used to sedate COVID patients

by Jon Rappoport July 5, 2020 (To join our email list, [click here.](#)) In my recent series of articles, I've exposed the fact that COVID-19 equals killing old ill people—the causing of their premature deaths through terror and isolation—it's not a virus—and thus falsely inflating “epidemic” numbers. And now this: I've become aware of a [...]

COVID: the Chinese regime, Sun Tzu and the art of war

This article is about the Chinese dictatorship and its agents, not the people of China by Jon Rappoport July 3, 2020 (To join our email list, [click here.](#)) I wrote and published this article back in April. In retrospect, it's obvious that Bill Gates, the World Economic Forum, the UN, and other elite Globalists NEEDED [...]

Huge COVID case-counting deception at the CDC

by Jon Rappoport July 2, 2020 (To join our email list, click here.) For this piece, we have to enter the official world (of the insane)—where everyone is quite sure a new coronavirus was discovered in China and the worthless diagnostic tests mean something and the case numbers are real and meaningful. Once we execute [...]
