	John Best 6 days ago @RussCR5187 I guess you don't understand what "law" is. Attorneys do not practice law. They practice a brutal and blind force DISGUISED as law. All laws touched by attorneys are void because they violate the Declaration of Independence and the Constitution. I told you what the law is "We the Peopledo ordain" but for some strange reason, you choose to be blind to those words. Do you work for the government? Is that why you use an alias?
