I voted for Ron Paul. Still have my Ron Paul 2012 shirt. I wanted to get our nation's fiscal h order many years ago. I wanted the pain way back then. Stop the usury. Stop the fraud, w abuse. I knew the correction would only be harder the longer we waited. With such a dep "diverse" voting population, I don't know that anything productive will come of the degra chaos that is coming. Catherine Austin Fitts says the elites will lose, ultimately, as they lac "mandate of Heaven." But who knows what the body count will be by then. Thank you for

Thanks for commenting, love the feedback.

The “Elites” don’t seem to understand they’ll need someone to bring the drink to the poolside. And to trim the hedges.

I’ve always been disappointed in my Ireland. They had maids inside the home of ever throat Englishman who kept the boot on their neck. How easy to have one slip into th and slit a throat. A planned attack all in one night.

Then shepherd the young ladies out by boat into seclusion, heroes all.

Far easier than all those “troubles”.

The English welcomed those Irish maids into their homes. The perfect assassins.
