Comment by Kissnerm: Only ppl who filed religious exemptions or sent notice of claims to fight back were approved at Pfizer were exempted. 9 months ago.

Reply by VladTepesBlog: Not so. MANY people were denied a religious exemption. I interviewed a woman 2 days ago who never had one vaccine in her life, and remaining unvaxxed was part of her employment contract at the hospital and they still fired her for not taking the mRNA shot. And she is in fact deeply Christian. 2 months ago.
