VAERS Data Reveals 50 X More Ectopic Pregnancies Following COVID Shots than Following ALL Vaccines for Past 30 Years

By Brian Shilhavy
Editor, Health Impact News

The carnage of deaths & injuries following COVID-19 shots this pregnant woman just gets worse the more we investigate it.

Yesterday, my number-on Saturday that the latest data-from the government's Vaccine Adverse Event Reporting System (VAERS) showed 3,903 new deaths, which are more than deaths from all reported following ALL vaccines for the past 30 years in VAERS, and "only" 1,644 deaths in VAERS that I did not account for, in an analysis I published on Friday, November 19, 2021 titled:

[Health Impact News article]

> Ectopic pregnancy, also called extrauterine pregnancy, is when a fertilized egg grows outside a woman's uterus. Sometimes also it is fatal. In 9 out of 10 cases, the fertilized egg implants in a fallopian tube, a medical case right away.
>
> In more than 90% of cases, the egg implants in a fallopian tube. This is called a tubal pregnancy.
>
> Because a fertilized egg can't survive outside a uterus, your doctor will need to take it out so you don't have severe health problems. There's two ways it can be done. [emphasis added]

I performed a search in VAERS for ectopic pregnancies following COVID shots for the past 11 months, and there were 1,644 reports. I then performed a search of VAERS for all of the data that was found to have an ectopic pregnancy [emphasis added]

Next, I performed the exact same search but excluded COVID-19 "vaccines" and it returned a result of 30 cases reported over the past 30 years. I then performed a search for all cases reported over the past 30 years for ALL vaccines for the past 30 years, which it didn't call [emphasis added]

That means that following COVID-19 injections into child-bearing women for the past 11 months, we have 50 times as many pregnancies ending in miscarriage and/or involving ectopic pregnancies as we have for all vaccines for the past 30 years.

And if I can assume one with internet access can perform these searches in the government-owned data in VAERS, then I assume that the CDC, FDA, and the rest of the "health" agencies can as well.

This is criminal. They're sitting on data that could have forewarned millions and saved lives of the U.S. but was later published as part of the evidence presented that natural-written human beings ever others, and is part of Nature's

Yesterday, I published an article on Vaccine Impact titled: Vaccine Impact and Vaccine Impact, and it was reported that there were 13 million deaths within 20 months of Vaccine.

[Read the article in the video of this posted here]

> November 11th, 1:00 – 3:00 Lone Star Hospital Emergency Entrance, North Vancouver
>
> Party with Dr. Bob Bruchet and Dr. Daniel Nagase. They spoke to the RCMP and then headed over to Lone Star Hospital. Dr. Bruchet is a retired ER doctor and Dr. Nagase is still working with him to keep the experimental mRNA gene therapies out of the hospitals system.
>
> Dr.nanagase they would see 1 stillborn death a month. It looks from reported that there were 12 stillborn deaths in The first period of women who had taken the experimental shots. The media is suppressing this information. Dr. Nagase is also a member of the Canadian Covid Care Alliance.
>
> Last night, November 23, 2021 a women posted on Social Media that her daughter who was 8.5 months pregnant and took a COVID-19 shot now she had her grandson stillborn at a Vancouver hospital.

Another woman on Social Media who had already received her COVID-19 shots, mocked "anti-vaxers" and then said she got her "booster shot" while pregnant, and soon after had a miscarriage.

Here is a post from Bonnie Henry, who is Canada's only coroner. Hugh Bailey "at families who have stillborn babies, and the recent increase in their business.

Here is Chanel Dennis whistleblower in the UK explaining the increase in dead newborn babies they are now seeing. This is at our [Vaccine Injuries]

Here is a video report we made last month with some very unfortunate gruesome examples of what these shots are doing to unborn babies.

Canadian physician Dr. Andrew Moulden provided clear scientific evidence to prove that every dose of vaccine given to a child or an adult produces harm. The truth that he uncovered was rejected by the conventional medical system and the pharmaceutical industry. Nevertheless, his warning and his message to America remains as a solid legacy of the man who stood up against big pharma and their program to vaccinate every person on the Earth.

Dr. Moulden died unexpectedly in November of 2013 at age 49.

Because of the strong opposition from big pharma concerning Dr. Moulden's research, we became concerned that the name of this brilliant researcher and his life's work had nearly been deleted from the internet. His reputation was being disparaged, and his message of warning and hope was being distorted and buried without a tombstone. This book summarizes his teaching and is a must-read for everyone who wants to learn the "other-side" of the vaccine debate that the mainstream media routinely censors.
